Customising / Specifications

Go ahead. Make a big statement.

In life, it's the small things that make a big difference. Like the Hyundai i10. With its refreshed expressive design and stellar selection of cutting-edge smart tech - it's a clever companion that gives you the style and flexibility you need to live life by your rules.

Bolder and more beautiful.

With its dynamic design update, this bold city car is giving new meaning to the old saying: good things come in small packages. The LED Daytime Running Lights are now integrated into the sporty front grille, featuring a new mesh design for a powerfully modern statement.

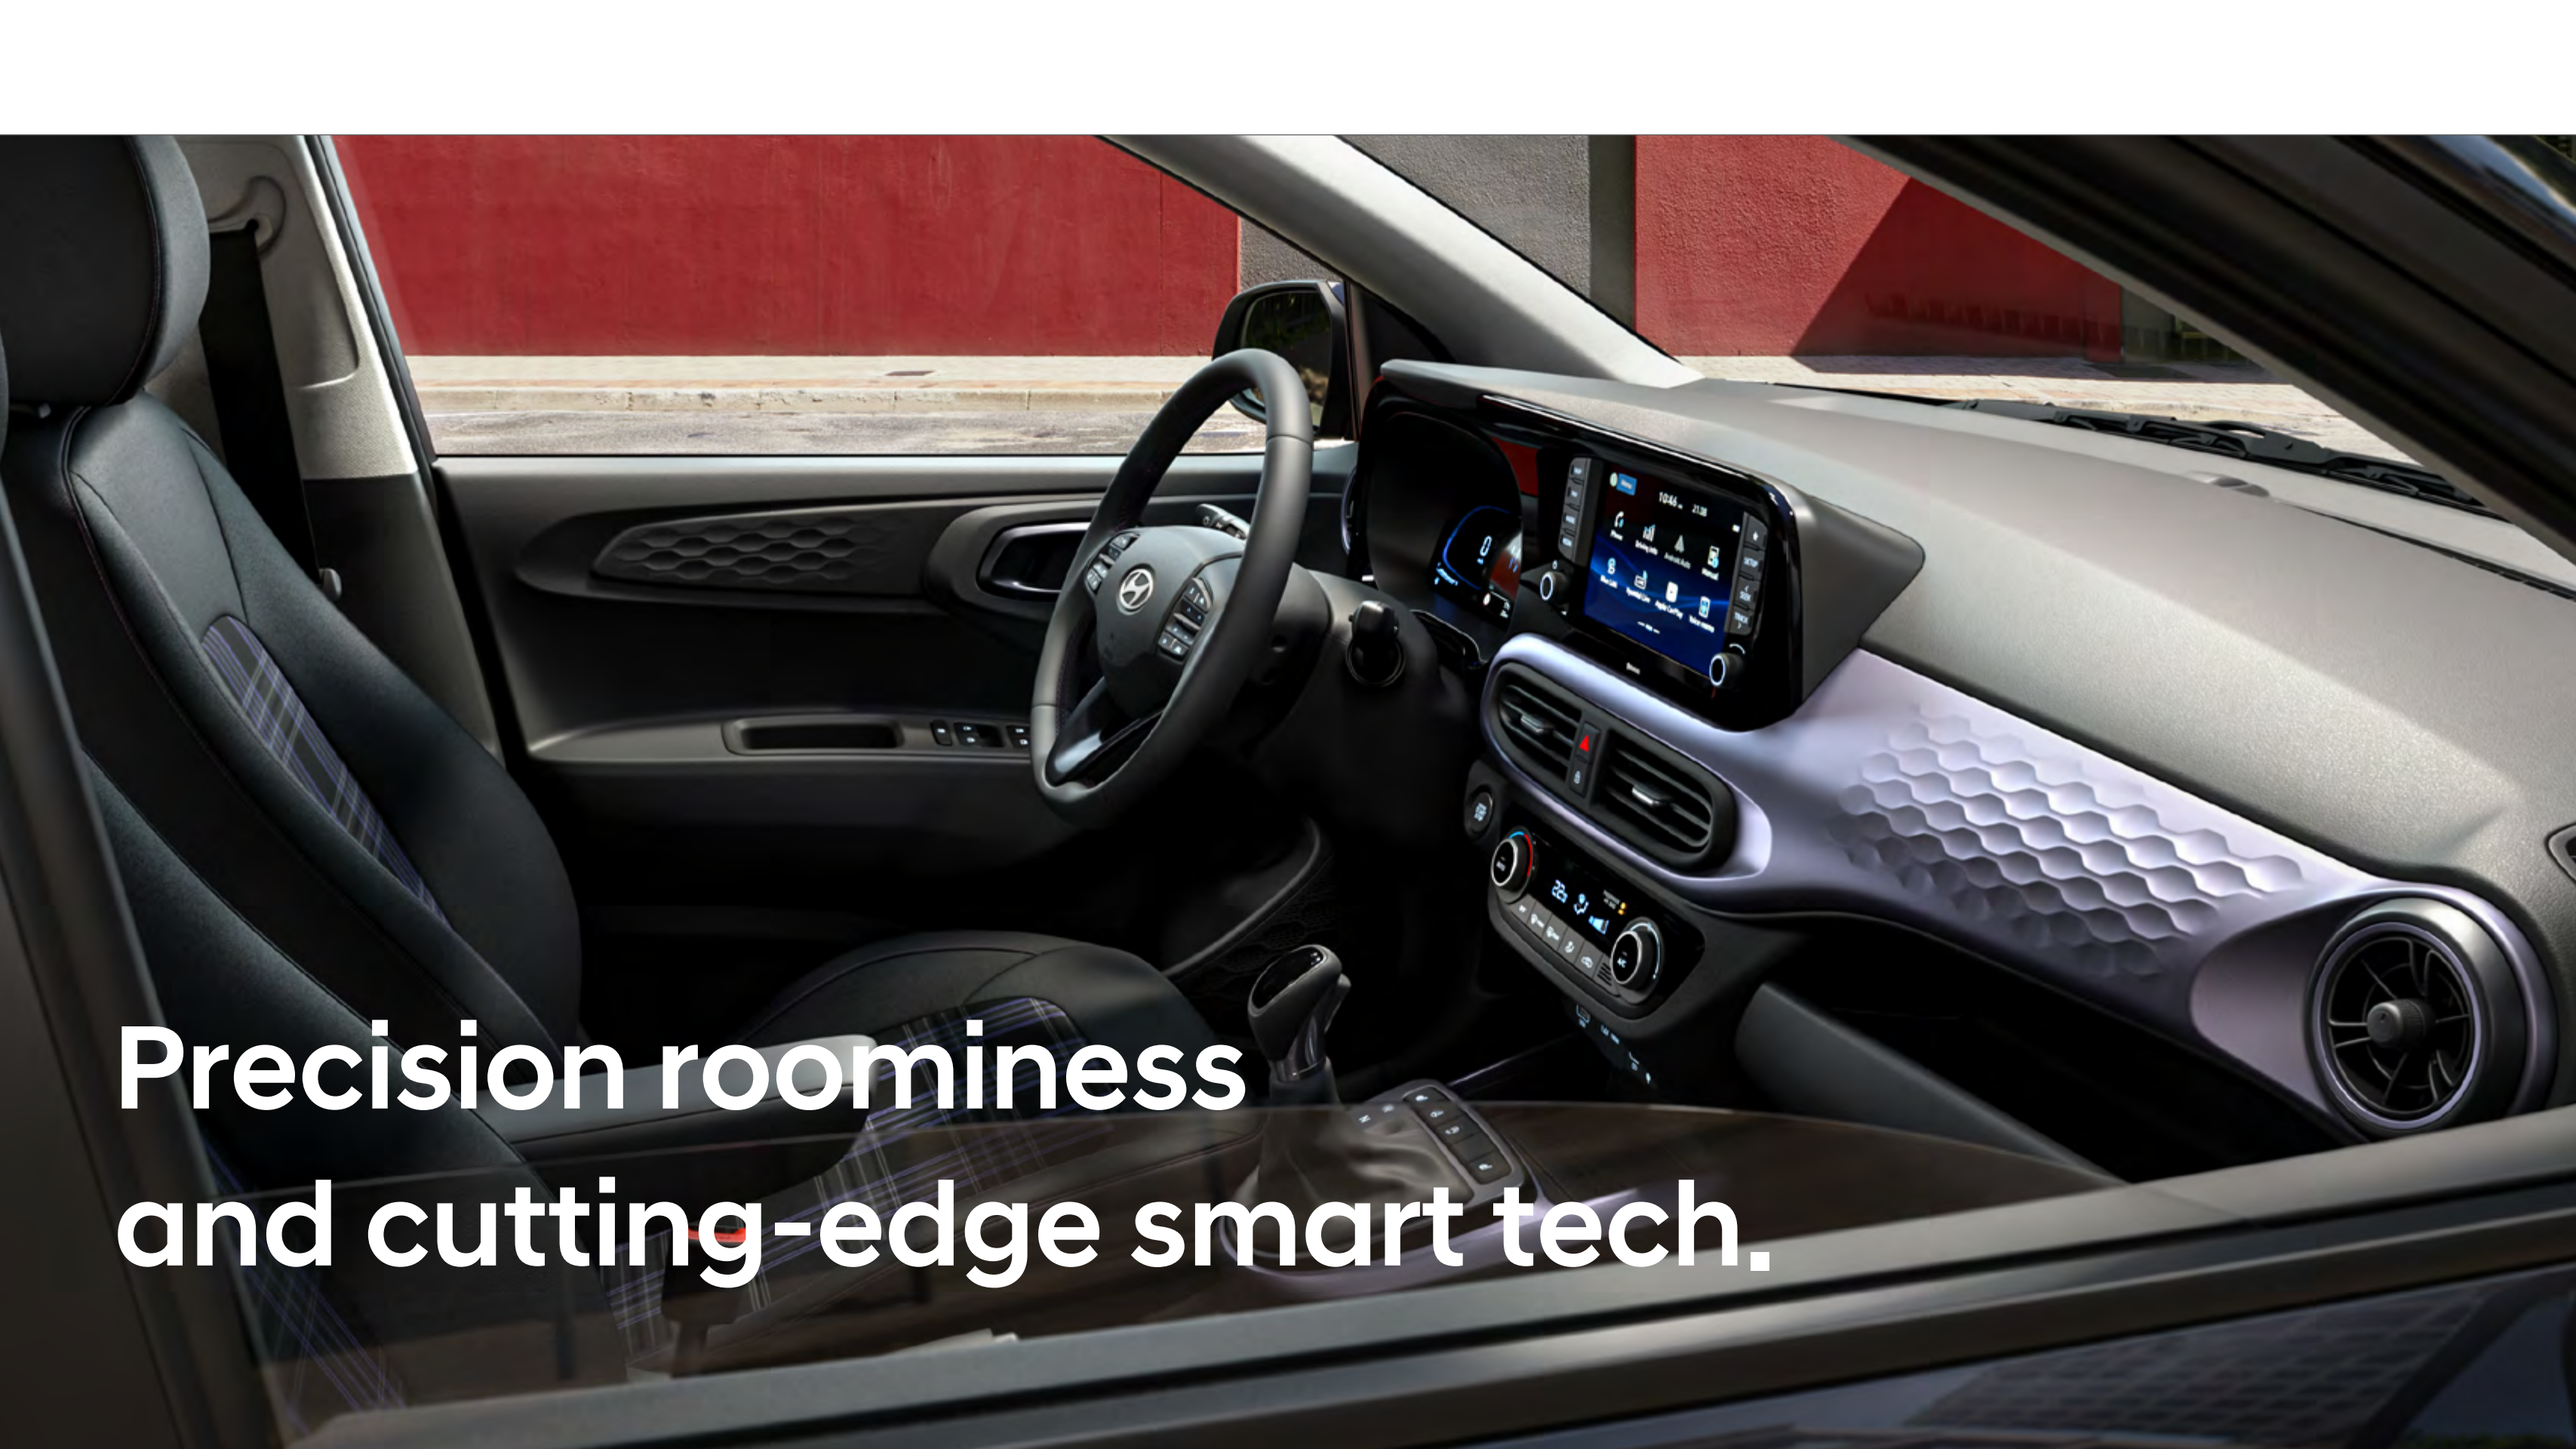

You're in for a big surprise.

All flowing lines and muscular contrasts, the i10's dynamic new look catches the eye in an instant. The rear LED combination lights now also feature a dynamic 'H' on the horizontal tailgate line. This redesigned LED light signature gives the i10 a distinctive new look for more dynamics and better visibility.

Perfect for small spaces
and big moments.

**Precision roominess
and cutting-edge smart tech.**

Clever connectivity and convenience.

Digital cluster and 8" touchscreen with rear view camera.

The i10 offers you a new digital 4.2" cluster as well as Apple CarPlay™ and Android Auto™ to mirror your smartphone on the 8" centre touchscreen.*

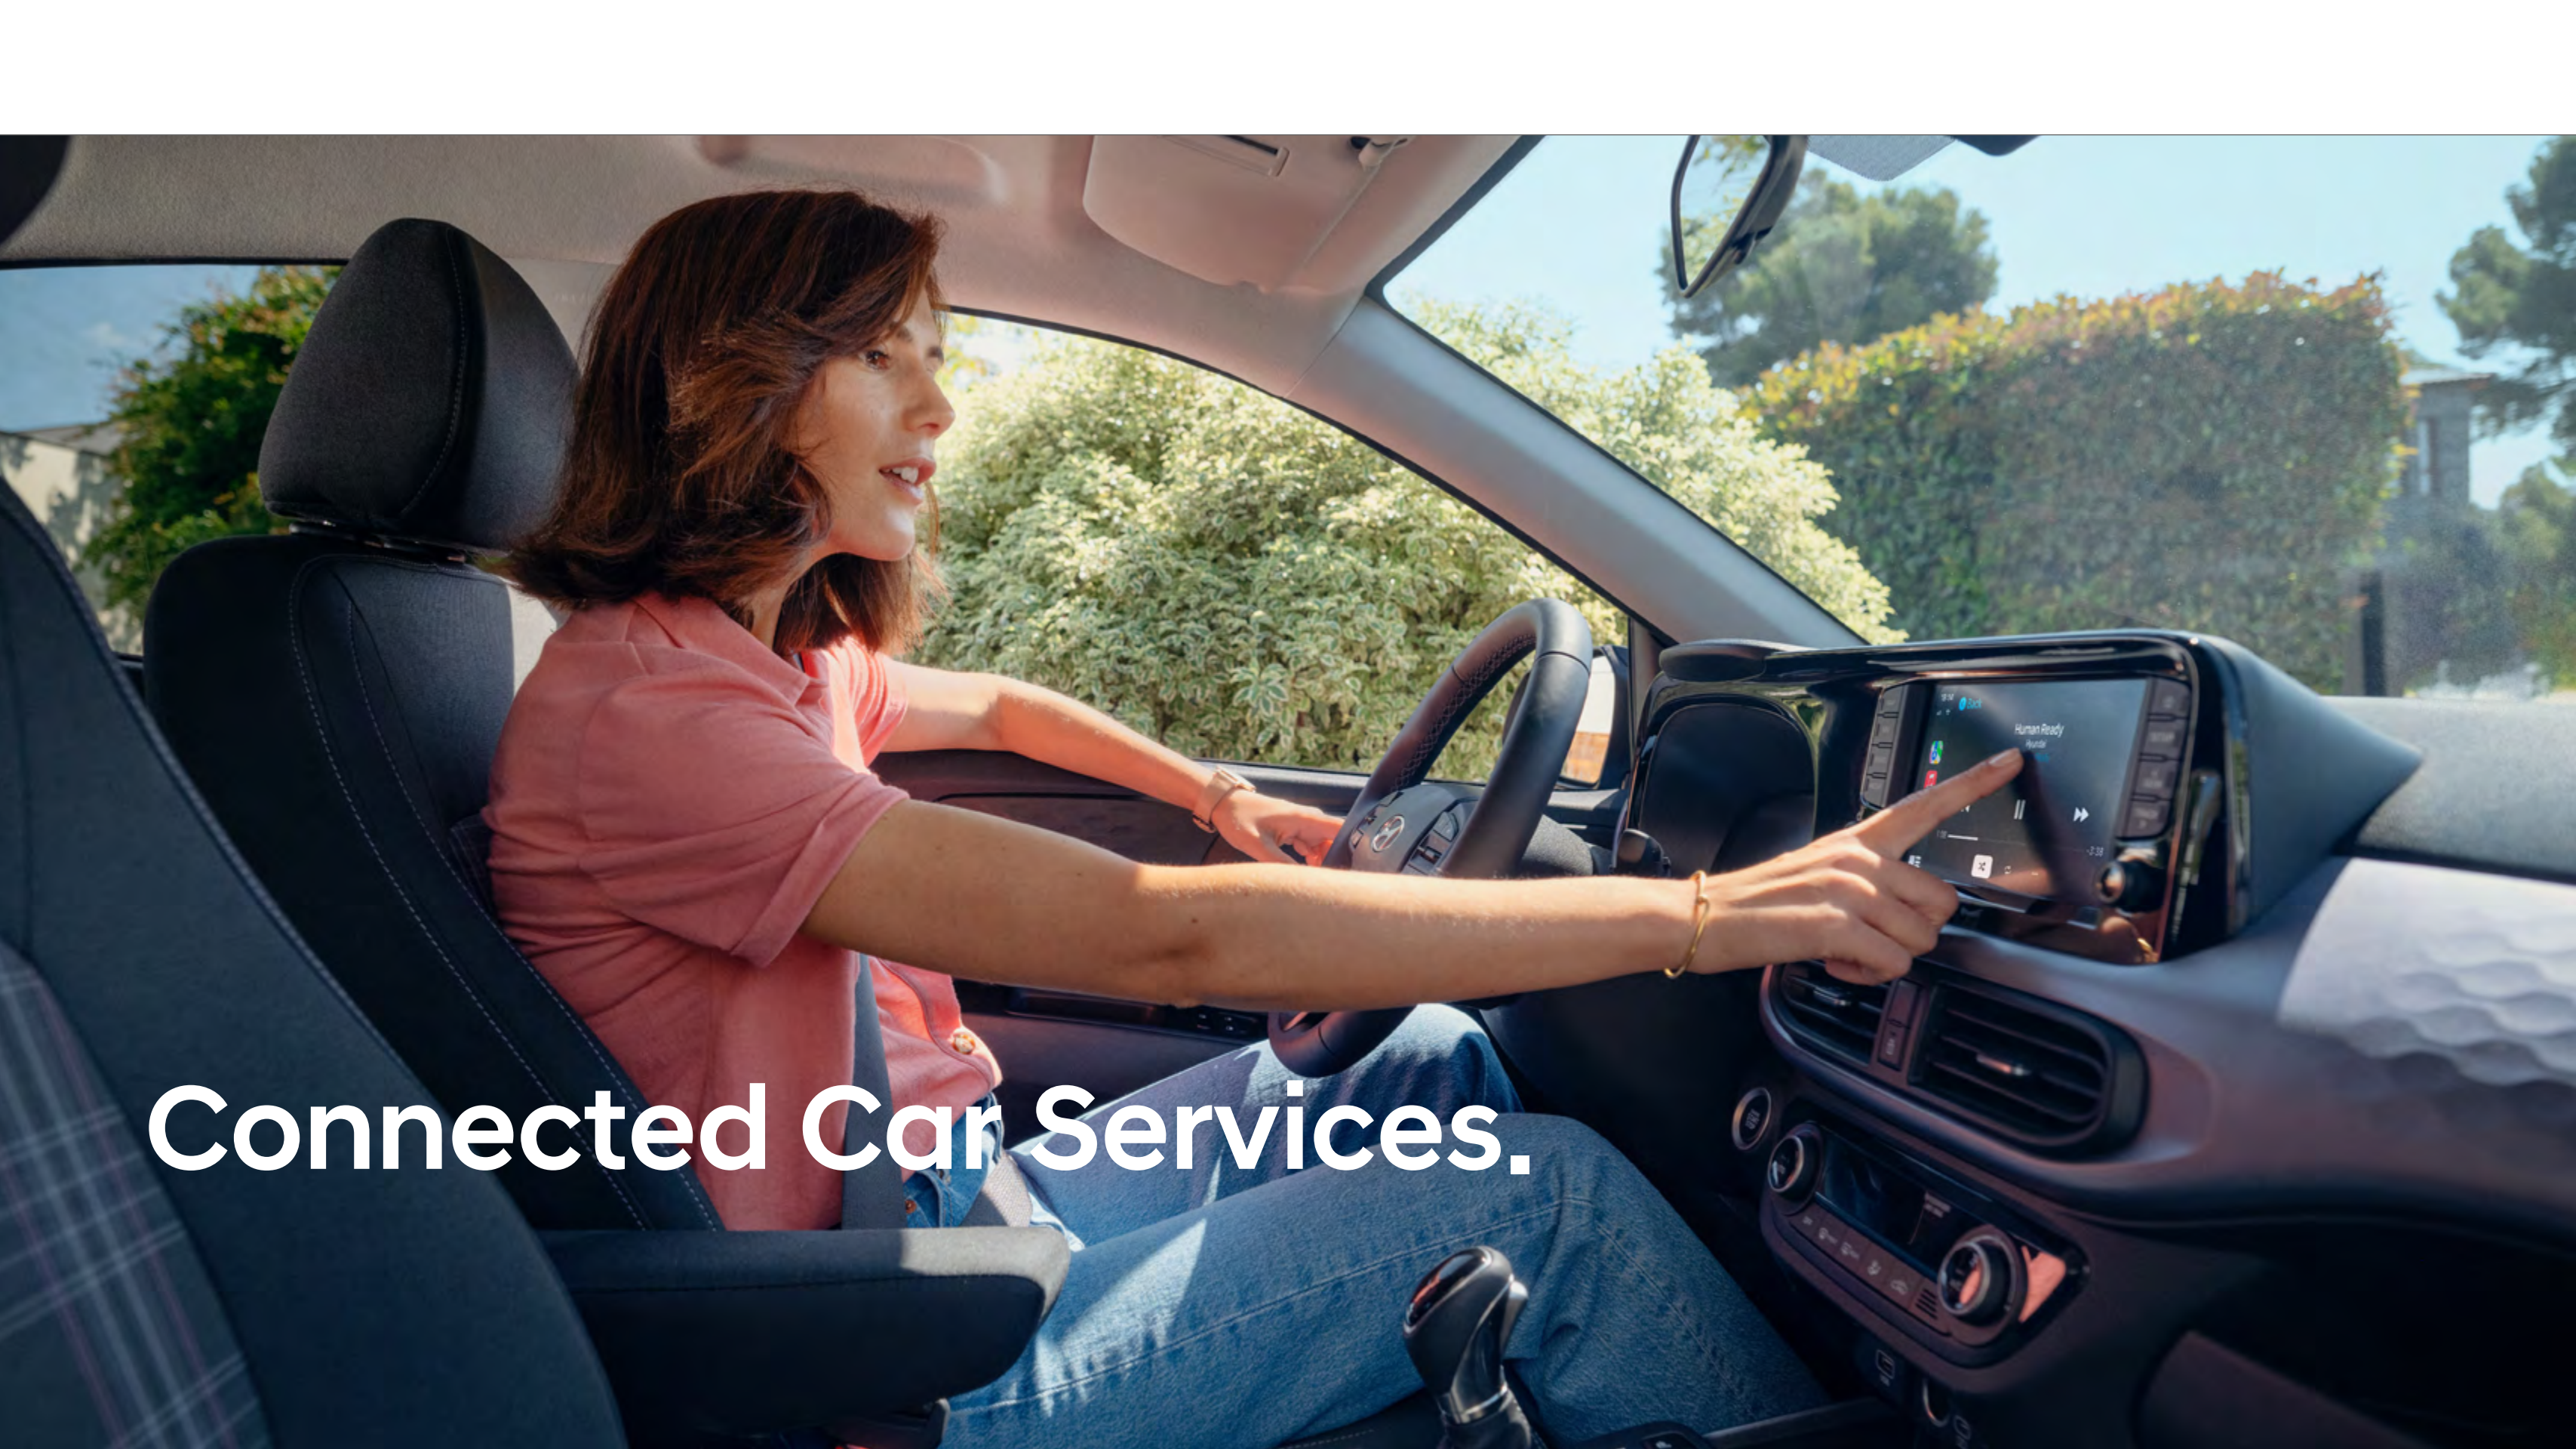

Wireless charging and USB-C.

Convenient charging tray and USB ports in the centre console.

Versatile load space.

One of the biggest in the segment, the 252 L boot is very adaptable.

Connected Car Services.

Connected Car Services.

Control your i10 from your smartphone - or with your voice. On top of the many clever features you can control with the Bluelink app, a free 3-year subscription to Hyundai's LIVE Services is also included with the 8" navigation system to let you make the most of Bluelink® Connected Car Services. Like for example with real-time traffic information to provide you with the fastest routes according to prevailing conditions. Save time on the road and enjoy precise arrival time estimates.

Efficiency never looked this good.

You can choose from two multi-point fuel injection petrol engines: a 1.0-litre 3-cylinder with 67 PS and 96 Nm torque, as well as a 1.2-litre 4-cylinder with 84 PS and 117.6 Nm torque.

Both engines are available with two transmission choices: a five-gear automated manual transmission (AMT) that does the shifting for you - or a 5-speed manual transmission.

Hyundai SmartSense

Hyundai SmartSense

Lane Keeping Assist (LKA).

Uses the front camera to monitor the lines of the road. In case of an unintended lane departure, it warns you and can apply steering control to guide the car back to the lane.

Forward Collision-Avoidance Assist (FCA).

Sensing the road with a camera, the system automatically brakes when it detects sudden braking by the car ahead, or pedestrians and bikes on the road.

Leading Vehicle Departure Alert (LVDA).

This clever feature for city driving alerts the driver when the vehicle in front departs from an idle state, like at a stoplight or in a traffic jam.

N Line

A strong statement
of sporty design.

Dynamic and assertive. From every angle.

One look is all it takes to see the motorsport roots of the i10 N Line. Its exterior design enhancements include an exclusive N grille and bumpers, giving it a dynamic look reminiscent of the high-performance N models. The updated rear LED combination lights feature a redesigned light signature for an even more dynamic look and better visibility.

Get into a whole new level of sportiness.

Sit down in the i10 N Line's upgraded cockpit and you'll feel its motor sport roots instantly. The exclusive N Line steering wheel and gearshift are enhanced by the red air vent rings set in a black finish dashboard. The sporty seats have been redesigned with new triple red line fabric with a dynamic new pattern and red contrast stitching.

Personalise your perfect version.

With 8 exterior colours and a two-tone roof available in Phantom Black to choose from - you can personalise your own distinctive look with a wide range of dynamic colour combinations.

Dimensions.

Get to grips with the new EU tyre labelling.

From May 1, 2021, the EU Regulation (EU) 2020/740 will come into effect. The new labels provide a quick, clear overview of a tyre's performance, with more detailed information available online.

The i10 is available with different types of tyres. You'll find detailed information for the various tyres available below.

Product Information Sheets, Delegated Regulation (EU) 2020/740.
You can also access the full official EU legislation here:
<https://eur-lex.europa.eu/eli/reg/2020/740/oj>

Good things come in small packages.

Assertive and agile, this clever city car is making a very big statement with its refreshed design and the latest smart tech. Created for the bustle of urban life and the art of squeezing into a tight parking space - the i10 combines a compact exterior with a roomy interior for plenty of flexibility in a small package.
