Adventure-ready, every time.

Whether it's a weekend getaway or a day on the trails, your INSTER can carry everything you need. Make the most of every journey with transport solutions that are always ready to go.

Load up and enjoy the ride.

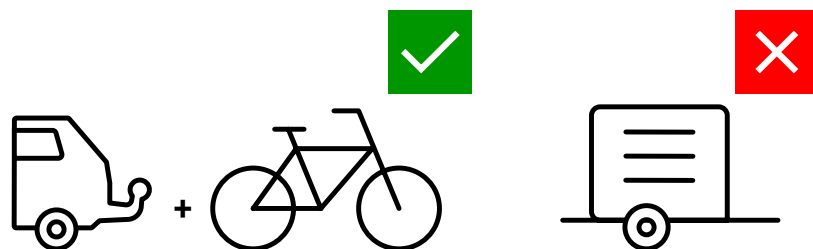

Enjoy the freedom to bring your bike along, without the hassle. These transport solutions make it easy to load, unload and hit the trails.

Bike carrier hitch

This corrosion-resistant, detachable hitch is ideal for securely supporting a bike carrier, capable of holding vertical loads up to 75 kg (including the carrier itself). While not designed for towing, it offers reliable strength for transporting bikes. When not in use, it can be easily removed by hand. The hitch complies with the Car Loading Standard Bike Carrier (CARLOS BC).

GX282ADE00

Bike carrier for all tow bars

Capable of carrying 2 bikes and also suitable for e-bikes with a maximum combined weight up to 60 kg. The convenient tilt mechanism provides unobstructed access to the trunk area without having to remove the bikes.

E823055001

Wiring kit

Installation uses original vehicle connectors and a multifunctional trailer module, which amplify all necessary signals.

From storage to sport, all on the roof.

Click to see how our cross bars and everything you can mount on them look on your INSTER. Mix and match carriers to create the perfect setup for your next outing.

Above and beyond storage.

Elevate your storage game by using the roof, leaving more space inside for comfort. Adventure more, worry less.

Cross bars, aluminium

These secure, lightweight cross bars are purpose-built for the INSTER roof rails and easy to install. Maximum payload capacity of the cross bars is 75 kg.

GX211ADE00AL

Roof box 330

Whatever the reason, when you require additional storage for your vehicle, this roof box gives you both quality and quantity.

99730ADE10

Designed to carry, built to last.

Take a closer look at the details that make these carriers secure, sleek, and ready for anything. Crafted to keep your gear safe, even on the longest journeys.

Hyundai er stolte av å tilby en av markedets aller beste fabrikkgarantier på fem år uten kilometerbegrensning, og i tillegg en av markedets beste garantier på driftsbatteriet i IONIQ 5. Den er på åtte år eller 160 000 km avhengig av hva som inntreffer først. Utstyret som er avbildet og beskrevet i denne brosjyren, kan avvike fra det som leveres i Norge. Trykketeknikken gjør at fargeprøvene som er vist, kan avvike fra de faktiske fargene. Ta kontakt med din Hyundai-forhandler for mer informasjon om hvilke farger, setetrekk og tekniske spesifikasjoner som leveres. Det tas forbehold om eventuelle trykkfeil og endringer.
