Powering Progress - shaping the future of fleet mobility

Hyundai continues to lead the way, offering fleet operators advanced solutions that balance practicality, cutting-edge technology, and improved sustainability. With one of the most diverse line-ups of electrified vehicles, the modern Hyundai range offers company car drivers a number of award-winning electric and plug-in hybrid models, all benefiting from low BIK.

The silhouette of a new era.

With a streamliner design, zero emissions and 4% BIK*, the IONIQ 6 is ready to join the IONIQ 5 in powering the business world. And with a range of up to 338 miles†, it makes an ideal business partner. The future of electric driving is here.

Like IONIQ 5, IONIQ 6 is built on Hyundai's new Electric-Global Modular Platform (E-GMP). This dedicated battery electric vehicle platform enables faster charging, increased driving range, more interior space and better handling.

Unlimited peace of mind comes as standard with your Hyundai. We include five-year unlimited mileage warranty and 8 year/100,000 mile battery warranty.

5 YEAR Unlimited Mileage Warranty

8 YEAR 100,000 Mile Battery Warranty

At Hyundai Business, no matter the size of your fleet we have experts on hand to help you find the right mix of vehicles to suit your operational requirements.
