Hyundai Business

Powering Progress - shaping the future of fleet mobility

Hyundai continues to lead the way, offering fleet operators advanced solutions that balance practicality, cutting-edge technology, and improved sustainability. With one of the most diverse line-ups of electrified vehicles, the modern Hyundai range offers company car drivers a number of award-winning electric and plug-in hybrid models, all benefiting from low BIK.

All-New IONIQ 6 N

The All-New IONIQ 6 N fuses Hyundai N's high-performance heritage with the sophistication of an all-electric saloon. Engineered for drivers who crave excitement without compromise, it combines sleek aerodynamics, a driver-focused design, and the advanced E-GMP platform to deliver zero-emissions thrills, cutting-edge technology, up to 302 milest WLTP electric range, and just 4% BiK* making it as smart for business as it is exhilarating to drive.

Unlimited peace of mind comes as standard with your Hyundai. We include five-year unlimited mileage warranty and 8 year/100,000 mile battery warranty.
