HYUNDAI

Built for comfort, built to belong.
IONIQ 9.

Hyundai Business

Powering Progress - shaping the future of fleet mobility

With one of the most diverse line-ups of electrified vehicles in the automotive world, the modern Hyundai range offers company car drivers a number of award-winning Alternative Fuel Vehicles. Hyundai continue to develop more exciting products at a rapid rate to ensure all your motoring needs are met.

Built to go places.

Sleek and futuristic with zero emissions and 4% BIK*, the IONIQ 9 is ready to join the IONIQ 5 and 6 in powering the business world. And with a range of up to 385 miles†, it makes an ideal business partner. The future of electric driving is here.

Like the IONIQ 5 and IONIQ 6, the IONIQ 9 is built on Hyundai's 800 Volt Electric-Global Modular Platform (E-GMP). This dedicated battery electric vehicle platform enables faster charging, increased driving range, more interior space and better handling.

Unlimited peace of mind comes as standard with your Hyundai. We include five-year unlimited mileage warranty and 8 year/100,000 mile battery warranty.

5 YEAR Unlimited Mileage Warranty

8 YEAR 100,000 Mile Battery Warranty

At Hyundai Business, no matter the size of your fleet we have experts on hand to help you find the right mix of vehicles to suit your operational requirements.

Information based on Hyundai IONIQ 9 Premium 218PS RWD

* for 2026/27 tax year
‡ 350kW ultra-fast charger required for quickest charge times - chargers are currently available on selected arterial routes – see Charge myHyundai map for details. Not currently available in Northern Ireland. Actual time will vary and is dependent on several factors including battery temperature, condition and age, ambient temperature and the power provided by the charger. Charge time increases in cold weather and if battery temperature activates safeguarding technology.
† Electric consumption (combined test cycle) for the Hyundai IONIQ 9 218PS RWD with 19” wheels Driving Range 385 miles; CO_2 emissions (combined test cycle) in g/km: 0 (WLTP). Driving range may vary slightly depending on road conditions, your driving style and the temperature. It is also dependent on the type of tyres equipped. Consumption range and specifications may vary by models and countries.

At Hyundai Business, no matter the size of your fleet we have experts on hand to help you find the right mix of vehicles to suit your operational requirements.
