

# KONA

Tilbehør Norge/Accessories

Pictures can deviate from the EV model.

# Nothing beats Genuine.

Why Genuine? Because every Hyundai accessory is designed, manufactured and tested to the same stringent standards as your own new KONA. That means that they fit perfectly, they complement your car's design and will never look out of place. All are manufactured from high quality materials, some of which are sustainable and recyclable wherever possible. So, when you have the foresight to choose the new KONA, you'll also be assured that our accessories match perfectly. That's Genuine!

# There's no substitute for Genuine.

Whether sporty or elegant, there's much more to our Genuine wheels than their eye-catching appearance. Before they can be incorporated into our range they must be homologated. This means they are subjected to the rigorous testing procedures which ensure the strength, safety and longevity of all our Genuine wheels. So you can drive on with absolute confidence.

# Genuine is the natural choice.

You can add extra protection to the carefully crafted interior of your new KONA with many eco-friendly Genuine accessories which have been produced with sustainability in mind. These include the resilient trunk liner and matching trunk liner extension, both of which are manufactured using bio-based materials. So you can help to protect our planet and your KONA at the same time.

# Never undervalue Genuine.

It's easy to underestimate what you really need from a totally new car. There will always be situations that present you with new challenges. No problem. You can choose from purpose-designed accessories that can extend the carrying capacity of your new KONA. And they are all manufactured specifically for your car, with all the strength and capability that you could need.

# Subtle changes make a great difference.

Adding your personal selection of our styling accessories is a great way to personalise your new KONA. All have been designed to enhance its dynamic design, while others like LED lighting effects and entry guards also bring the bonus of even more functionality.

LED puddle lights, 99651ADE00

LED door projectors, Hyundai logo, 99651ADE00H

## LED puddle lights

The spotlight is on whenever you open the car door. These LED puddle lights add a distinctive yet subtle glow for a unique entrance – and increased visibility, especially in darkness. Automatically activated when the front doors are opened.  
99651ADE00

## LED door projectors

Introduce more finesse into the darkness, by featuring the Hyundai logo on the ground next to your open front doors.  
99651ADE00H (Hyundai logo)

## LED trunk and tailgate lights

Never feel helpless again while trying to find some specific item in the dark. Or step into something while doing so. Enjoy perfect visibility in and outside your trunk!

# Surprise yourself with your own potential.

And surprise others! Your new KONA is already a very capable vehicle, but you never know when you're going to need some extra capacity. Carrying bikes securely? Towing a safely connected trailer or caravan? It's all so simple when using our purpose-built accessories. All conform with existing legal requirements, and can make your adventurous life even more enjoyable.

## Bike carrier for all tow bars

Capable of carrying 2 bikes and also suitable for e-bikes with a maximum combined weight up to 60 kg. The convenient tilt mechanism provides unobstructed access to the trunk area without having to remove the bikes. Lockable, easy to load and you can open the tailgate with your bikes on the back.  
E823055001 (LHD)

## Tow bar, detachable

Whenever you have substantial cargo in tow, this top-quality corrosion-resistant steel tow bar is ideal for efficient transportation. With the featured 3-ball locking system it can be detached simply, securely and discreetly. Please consult your dealer regarding the maximum towing load capacity for your vehicle.  
HF281ADE00 (EV)

## Tow bar wiring kit

Installation uses original vehicle connectors and a multifunctional trailer module which amplify all necessary signals and communicates also with the vehicle. Compatible with both conventional bulb and LED trailer lamps. The park distance warning system and rear fog lights are automatically switched off when a trailer/bike carrier is connected & detected. With the new trailer lamp control feature, a notification is sent via vehicle cluster when a tail, brake, or indicator light malfunctions. For your safety and comfort, other Advanced Drive Assist Systems of the vehicle are also automatically deactivated when a trailer/bike carrier is connected & detected. For more information, please check the owner's manual or contact your dealer.

The 13-pole socket-based system is prepared to manage all modern caravan functions. To ensure full functionality, +15/+30 is already included in the wiring.

13-pole socket: BE621ADE00PC\* (waterproof socket housing)  
7-pole socket: BE620ADE00PC\* (with drainage holes to prevent water accumulation)

Based on your actual tow bar usage, adapters are available to temporarily change 7-pole to 13-pole or vice versa.

13-pole socket (vehicle) to 7-pole socket (trailer/caravan) adapter: E919999137  
7-pole socket (vehicle) to 13-pole socket (trailer/caravan) adapter: 55622ADB00

\* BE621ADE00PC & BE620ADE00PC is compatible only for vehicles with trailer package.

Tow bar, detachable, HF281ADE00 (EV)

Bike carrier for all tow bars, E823055001

**Cross bars, aluminium**

Get more space for your adventures. These secure, lightweight cross bars are purpose-built for the vehicle roof rails and easy to install. So you can set off on future trips with all you need. Available from Q1 2024.  
BEF21AC000

Cross bars, aluminium, BEF21AC000

**Roof box 330**

Whatever the reason, whatever the season: when you require additional storage for your Kona, this roof box gives you both quality and quantity. Aerodynamic and sleek, easy to install and robust, it also features dual side opening for fast loading and unloading. Lockable for theft prevention.  
99730ADE10

**Bike carrier for all tow bars**

Capable of carrying 2 bikes and also suitable for e-bikes with a maximum combined weight up to 60 kg. The convenient tilt mechanism provides unobstructed access to the trunk area without having to remove the bikes. Lockable, easy to load and you can open the tailgate with your bikes on the back.  
E823055001 (LHD)

**Trunk partition**

Fitting perfectly between your KONA's rear seatback and the roof, this easy-to-install grid is designed to keep a pet and cargo in the trunk area without restricting your rearward view.

Ice/sunscreen, BE723ADE00

Trunk organizer, foldable, 99123ADE00

Business suit hanger, 99770ADE10

# Define your own level of comfort.

How can you improve on the comfort provided by your new KONA? Well, you could add a degree of convenience with accessories which can ease your daily drive. All have been developed specifically to make life with your KONA even more comfortable and convenient on every journey. They all meet all relevant safety regulations.

## Ice/sunscreen

Comfort and visibility, all year round. This screen shields your cabin from heat build-up on sunny days and prevents ice forming on your windscreen in freezing temperatures.  
BE723ADE00

## Trunk organizer, foldable

Perfect for quickly organizing and securing any kind of supplies, folding away flat making room for your next errand. With practical carrying straps and handles for convenient transport outside your car. Branded with Hyundai logo.  
99123ADE00

## Business suit hanger

Crease-free clothing on arrival. Attach it easily to the front seat, then hang it in your office or hotel room. Must be removed if the rear seat is occupied.  
99770ADE10

# Fast charge your lifestyle.

Enjoying a sustainable life is easier when clean electricity provides the power. The optimum way to charge your KONA is to use our fast, efficient charging system. Our Mode 3 charging cable is exactly what you need to make the most of existing charging systems. So you can concentrate on maximising your life with a clean conscience.

## Charging cable, Mode 3

To maximise its full capabilities the Charging cable, Mode 3 is equipped with Type 2 plugs at both ends. The electrical contacts are made from solid metal, and the easy-to-use plug handles are designed to safely and slowly dissipate any heat build-up during charging. High-grade materials make this charging cable extremely resistant to severe twisting or bending. And extensive weatherproofing excludes the possibility of corrosion. Secure automatic locking to both the car and the charging point is provided by the Type 2 plugs. The Charging cable, Mode 3 can be used for the day-to-day charging at public and domestic charging points that provide Type 2 sockets with up to 22 kW (480V, 32A).

99632ADE003A

## Mobility dock

When convenient public charging points are not available, this compact and efficient Mobility dock is the perfect solution. It converts any standard household socket into a charging solution for your KONA. It is CE compliant, requires a Type 2 charging cable, and takes up very little on-board space. The maximum charging power is 2.3 kW. Its integrated control system monitors and regulates the charging process, detecting any DC and AC errors and automatically preventing overheating.

99635ADE00EU

## Hyundai Vehicle-to-Load (V2L)

Get 220 V of alternating current to power your devices, outside your EV vehicle. Fully charged, its Vehicle-to-Load feature offers up to 3.6kW of power (depending on your vehicle output capacity), enough to run a large TV screen or a medium sized air conditioner for 24 hours. Simply attach the V2L connector to the charging outlet. Branded pouch included.

GIH68AK0U0 (only for outlet type E, F, L & J)

GIH68AK0E0 (only for UK/ outlet type G)

GIH68AK0D0 (only for Denmark/ outlet type K)

Charging cable, Type 2, Mode 3, 3-phase, 32A, 5m, 99632ADE003A

Mobility dock, 99632ADE003A

Hyundai Vehicle-to-Load (V2L) GIH68AK0U0 / GIH68AK0E0 / GIH68AK0D0

Trunk liner extension, BE128ADE00E

# Made for your KONA and made to last.

Enjoying life to the full is so easy with your new KONA. But it often involves close encounters with mud, dirty water and other undesirable substances. Our specially designed accessories provide year-round protection and fit the interior perfectly. They often share matching surface patterns, and wherever possible are manufactured from bio-based materials.

Trunk tray, BE127ADE00

All weather mats, DF131ADE00/BE131ADE00

Trunk liner, BE122ADE00E

## Trunk liner extension

Specially designed to keep the backs of your folded rear seats in top condition when carrying potentially damaging long and rough items as well as preventing goods from sliding into the gap between seats and trunk. Easy fixation with Velcro. Made from 90% bio-based sources. BE128ADE00E

## Trunk tray

Heavy duty protection for the trunk area. Its high sides keep messy, muddy and wet loads away from the fabrics and materials of your KONA. BE127ADE00

## All weather mats

However extreme the weather, however extreme your adventure, these durable and easy-to-clean floor mats form a protective layer against wet, muddy or sandy shoes. Made from recyclable materials. Please check the table at the end for complete overview of all part numbers.

## Trunk liner

From gardening tools to sports equipment – some cargo can be potentially wet or grimy. Made from 80% bio-based sources this semi-rigid, anti-slip and waterproof liner with raised edges will keep your trunk clean. BE122ADE00E

Textile floor mats, velour, DF143ADE00/BE143ADE00

Trunk sill trim line, black, BE275ADE00BL

Trunk mat, reversible, BE120ADE00

Door sill protection foils, black, 99451ADE00BL

Trunk mat, reversible, BE120ADE00

Door sill protection foils, transparent, 99451ADE00TR

Door handle recess protection foils, 99272ADE00

#### Textile floor mats, velour

Introduce a good-looking yet hard-wearing floor covering to your vehicle in high-quality velour. The tailor-made mats feature the Hyundai logo in the front row and are held in place with fixing points and anti-slip backing. Please check the table at the end for the complete overview of all part numbers.  
HF143ADE00

#### Trunk sill trim line

Exclusive styling: these colour shields are ideal for adding a refined horizontal detail to the inner sill of your car's load area.  
BE275ADE00BL

#### Trunk mat, reversible

Enjoy double the protection with two flippable surfaces – high-quality velour on one side, and a resilient dirt-resistant finish on the other – to suit the whole range of different transport tasks life brings with it.  
BE120ADE00

#### Door sill protection foils, transparent

Effective and simple protection where it's most needed: this discreet transparent foil shields your door sill from scrapes and scuffs.  
99451ADE00TR

#### Door sill protection foils, black

Durable black foil that protect and preserve paintwork from everyday wear and tear.  
99451ADE00BL

#### Door handle recess protection foils

High-contact zone: door handle recesses are particularly prone to potential wear over time. These foils counter this issue, keeping your paintwork here looking like new and free of any fingernail or key scratches.  
99272ADE00

Safety hammert, 99946ADE00

Warning light, 99945ADE00

Safety hammer, 99946ADE00

Safety bag, 99940ADE00

Warning triangle, 99942ADE00

# Take care of your loved ones.

Make sure you are prepared for the unexpected with practical items on board that can provide protection in unforeseen situations – anytime, anywhere.

Safety vest, 99941ADE00

Wiper blades

Cabin air filter

Touch-up paints

### Safety hammer

Don't panic if you need to escape to safety. Let the hammer do the work. Just press it gently to the window. The ultra-hard ceramic head will jump out, smash the pane and immediately retract to be used again. The non-slip handle is equipped with an advanced seat belt cutter. 99946ADE00

### Warning light

Make sure your vehicle is seen from far whenever oncoming traffic needs to be warned. The warning light rotates full 360° for improved visibility and increased safety. Magnetic mounting makes attaching it to the roof quick and easy. 99945ADE00

### Safety bag

Enjoy the added peace of mind of having this safety bag on board. This safety bag contains two safety vests, a warning triangle and a first aid kit that complies with current DIN 13164: 2014, a legal requirement in several European countries. 99940ADE00

### Warning triangle

Stay safe when stranded. This high-visibility warning triangle makes sure approaching motorists see you in time. Lightweight, stable and foldable, it is also compliant with the latest ECE-R27 standard, a legal requirement in most European countries. 99942ADE00

### Safety vest

Maximum visibility for maximum safety, all day and night. This neon vest with reflective strips lets other motorists see you from a distance if you have to leave your KONA. It complies with EN 20471, a legal requirement in most European countries. One size fits all. 99941ADE00

### Cabin air filter

The genuine cabin air filter cleans air that enters the cabin through heating, ventilation and air conditioning systems. Made of fine, top-quality fibrous material, the cabin air filter keeps dust, pollen and grime out of the car. Please consult your dealer for part number and availability.

### Wiper blades

The high-quality premium wiper blades are designed specifically to perform perfectly with your Hyundai. Please consult your dealer for part number and availability.

### Touch-up paints

Keep your paintwork in top condition with genuine touch-up paints for repairing scratches and stone chips, and protecting from corrosion – quickly, simply and effectively. Developed to precisely match the colour of your vehicle. Please consult your dealer for the correct colour code.

# Only Genuine accessories fit so well.

“Fit and finish” is the automobile industry term for how different automotive components fit together. And you can be assured that every Genuine accessory has been designed and manufactured to the same precise standards as your new KONA. So everything fits perfectly, and never, ever, looks out of place.
