Powering Progress - shaping the future of fleet mobility

Hyundai continues to lead the way, offering fleet operators advanced solutions that balance practicality, cutting-edge technology, and improved sustainability. With one of the most diverse line-ups of electrified vehicles, the modern Hyundai range offers company car drivers several award-winning electric and plug-in hybrid models, all benefiting from low BIK.

The award-winning Hyundai SANTA FE Plug-in Hybrid

Strengthening the electrification of our award-winning SUV range, the Hyundai SANTA FE Plug-in Hybrid has been recognised as the WhatCar? Hybrid Car of the Year 2024/2025 and Carwow Car of the Year 2025. With versatile seating for 6 or 7 passengers, it provides plenty of room for everything you need. The 4-wheel drive Plug-in Hybrid offers an electric range of up to 33 miles†, qualifies for a BiK rate of 14%* and has CO_2 emissions of just 36g/km (WLTP combined). As with all our fleet vehicles, the SANTA FE – also available in hybrid and mild-hybrid powertrains – comes equipped with our most advanced safety and infotainment technology.

Unlimited peace of mind comes as standard with your Hyundai. We include five-year unlimited mileage warranty and 8 year/100,000 mile battery warranty.
