TUCSON Plug-in Hybrid

Hyundai Business Powering Progress - shaping the future of fleet mobility

Hyundai continues to lead the way, offering fleet operators advanced solutions that balance practicality, cutting-edge technology, and improved sustainability. With one of the most diverse line-ups of electrified vehicles, the modern Hyundai range offers company car drivers a number of award-winning electric and plug-in hybrid models, all benefiting from low BIK.

TUCSON Plug-in Hybrid

This spacious, award-winning PHEV SUV, has an electric range of up to 43 miles*, qualifies for BiK of 10%† and has CO₂ emissions from just 22g/km (WLTP combined). As with all our fleet vehicles, the TUCSON – which is also available with hybrid and petrol powertrains – is equipped with our most innovative safety and infotainment technology.

The TUCSON Plug-in Hybrid is also available in sporty N Line trim, combining the motorsport-inspired styling of N with the efficiency and low emissions of the electrified powertrain.

Unlimited peace of mind comes as standard with your Hyundai. We include five-year unlimited mileage warranty and 8 year/100,000 mile battery warranty.
