TUCSON N Line Edition

Customising / Specifications

Lucky you.

Whatever life throws your way, the TUCSON has got you covered. Its cutting-edge design, reinvented interior and state-of-the-art smart technology makes it the perfect companion for all your adventures. Life can be unpredictable, but lucky you – you have a TUCSON.

Refined, refreshed,
reinvented.

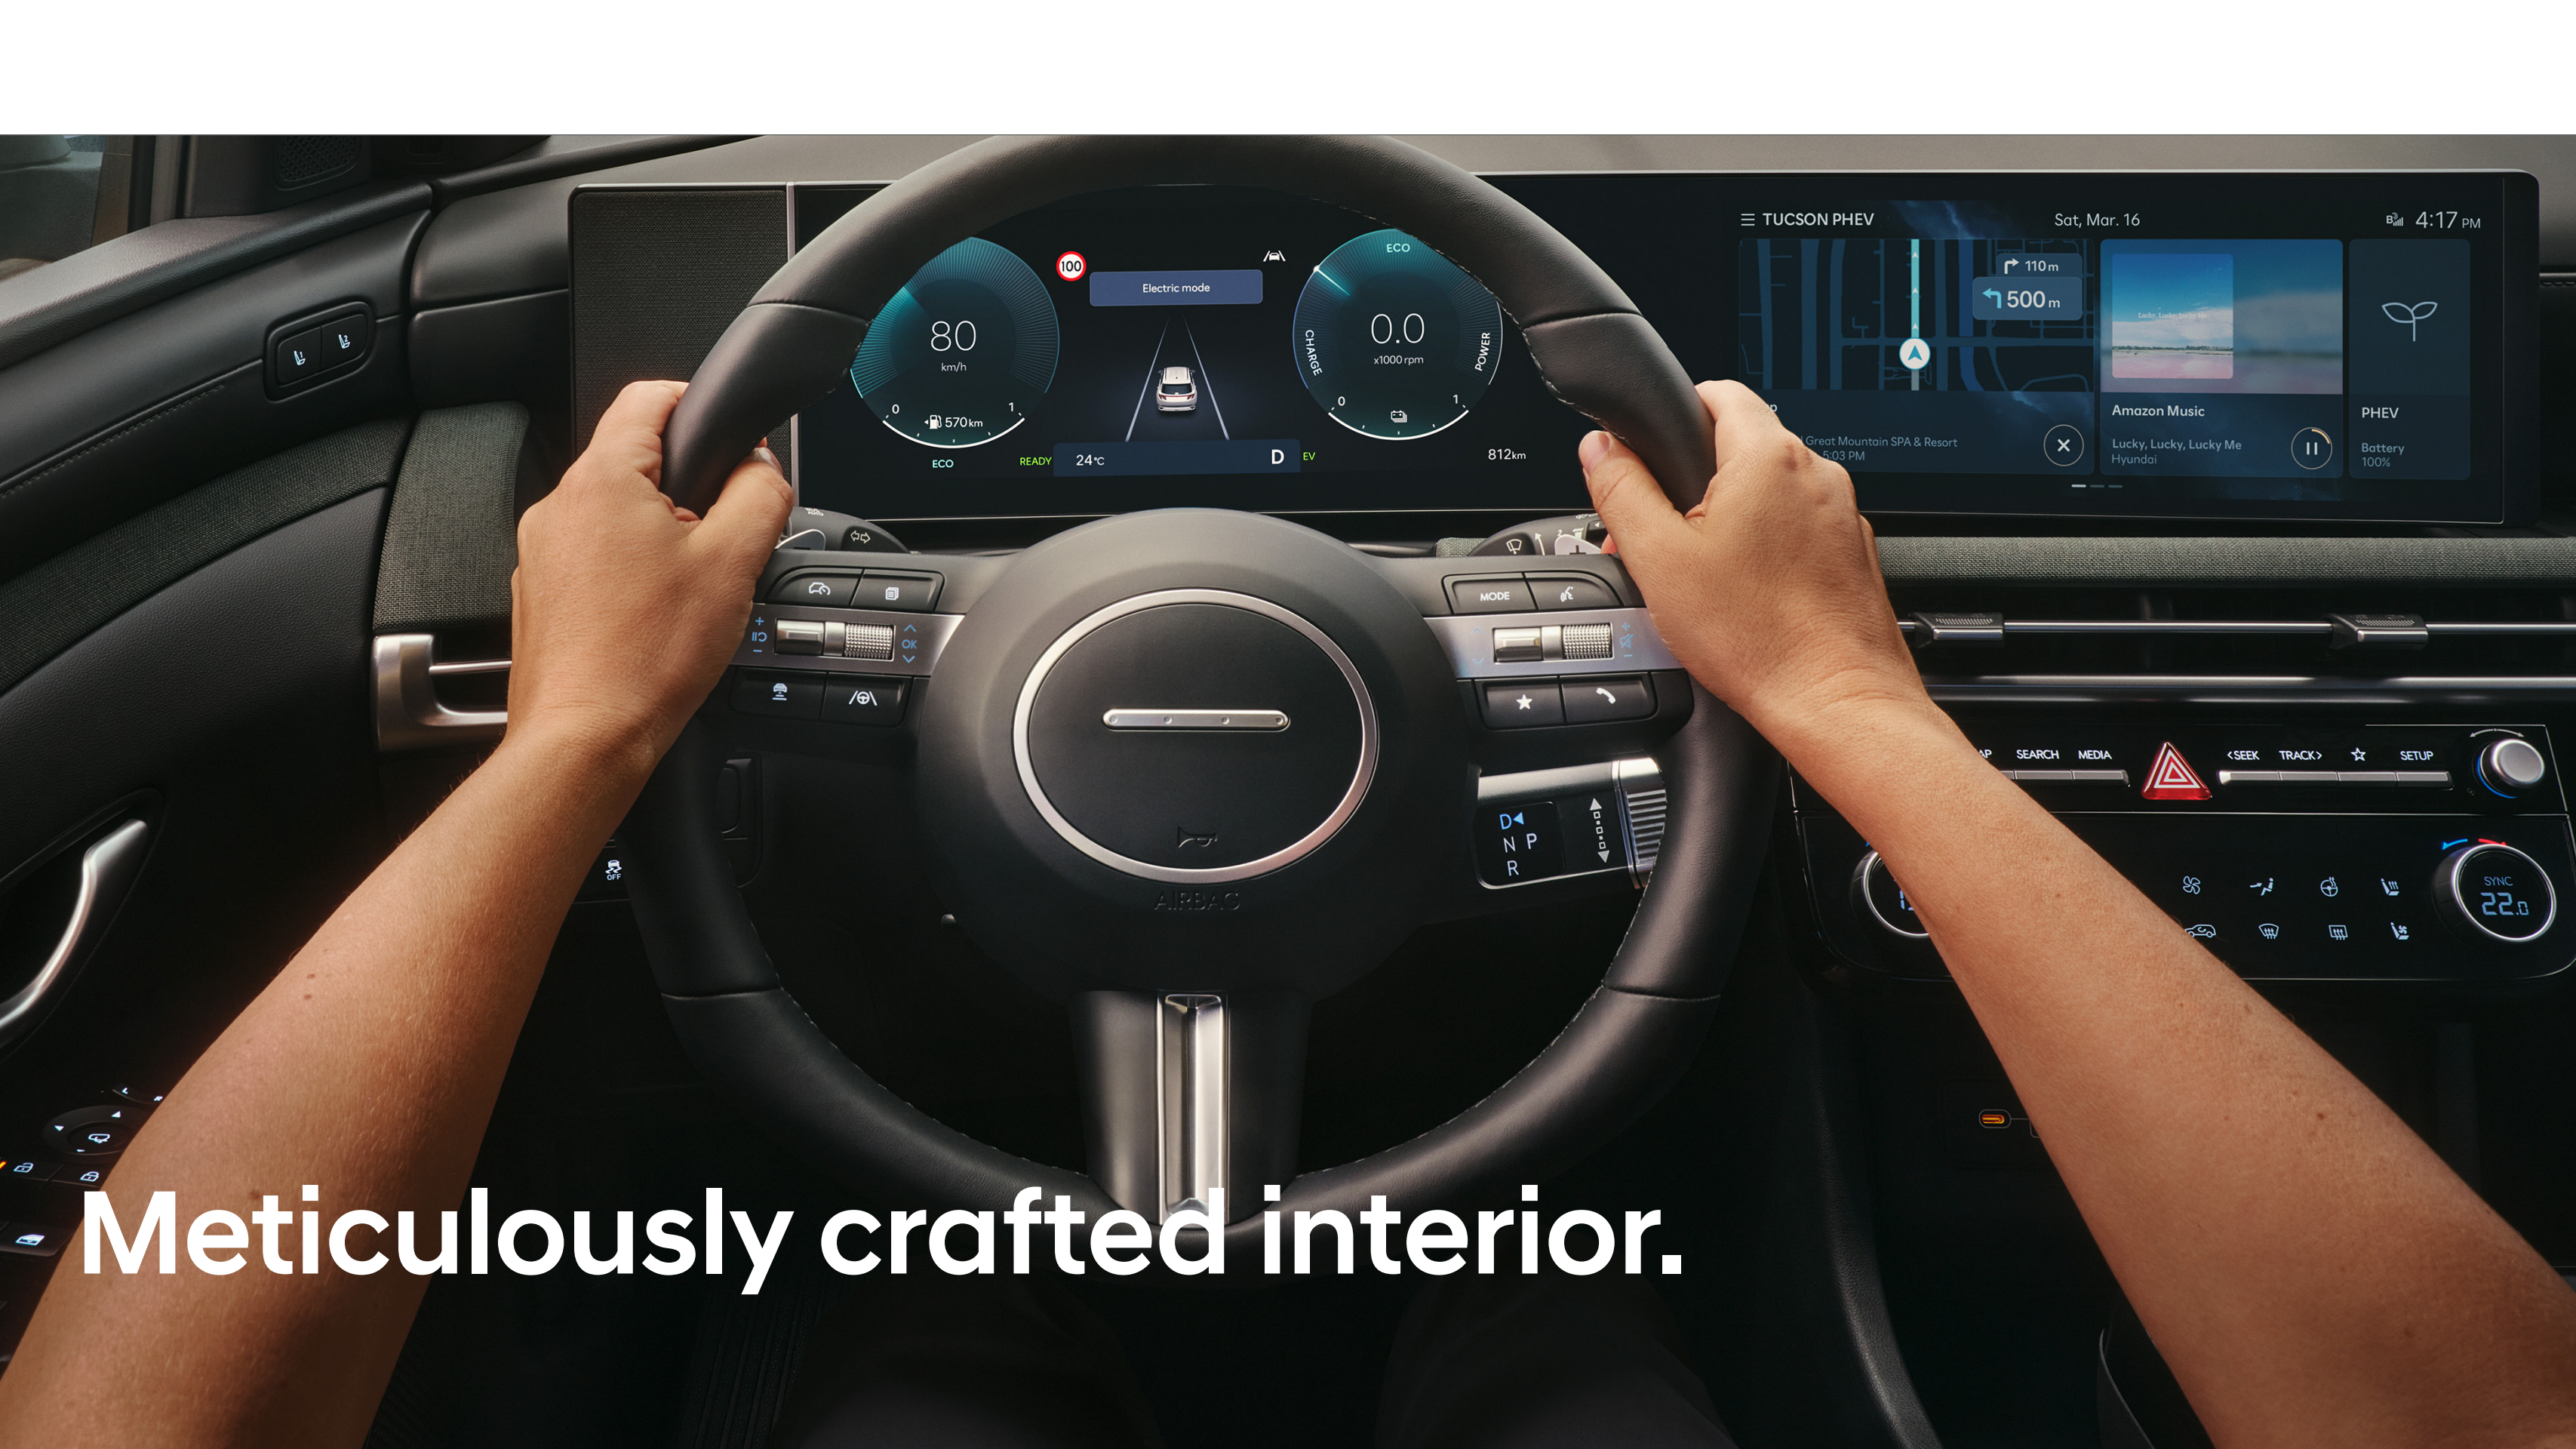

Sophisticated and progressive.

The TUCSON's refreshed design redefines modern aesthetics, blending bold sophistication with striking, sculpted surfaces and dynamic lines. This harmonious combination not only enhances its visual impact but also strengthens the TUCSON's lasting appeal among drivers seeking style and substance. Powerful new design elements harmonise with geometric forms and the redesigned Parametric Hidden Lights in front.

Meticulously crafted interior.

Premium comfort and roominess.

Completely redesigned to integrate an impressive new range of screens and advanced technology elements, the meticulously crafted interior blends spaciousness and practicality for a soothing sense of openness. Your passengers will love the comfort and roominess with plenty of legroom in the rear as well.

Versatility and roominess with a stylish streak.

Generous cargo space.

Enjoy up to 620 litres of boot space for luggage with the seats up and up to 1,799 litres with the rear seats folded down. They fold in a 40:20:40 ratio for more flexibility.

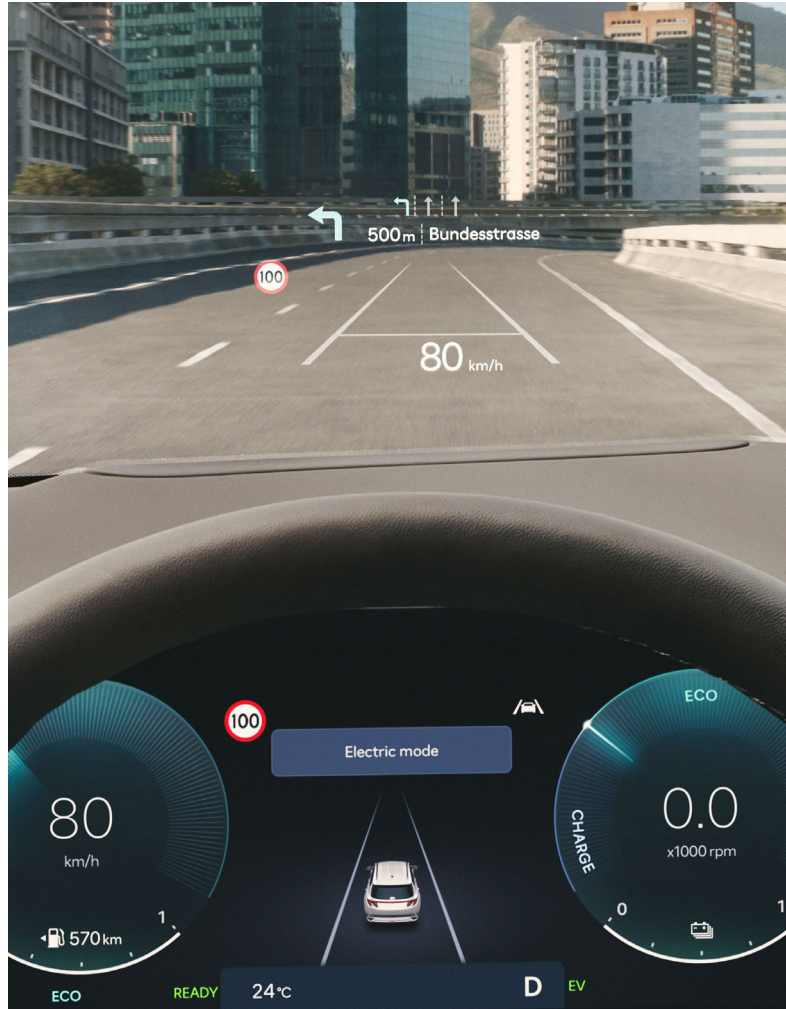

New armrest and centre console.

Perfectly positioned for comfort, the new armrest gives you ideal access to the wireless charging pad and cup holders in the revamped centre console. Automatic variants only.

A man with a beard and short hair, wearing a green jacket, is driving a car. He is looking forward with a slight smile. The car's interior is visible, featuring black leather seats with red stitching. The dashboard has a large, wide infotainment screen displaying a navigation map, a music player interface for Amazon Music, and a climate control panel below it. The screen shows the date 'Sat, Mar. 16' and the time '4:53 PM'. The car is parked in a lush, green outdoor setting with trees and bushes visible through the windows.

**The comfort
of convenience.**

Convenience highlights.

12" projection head-up display.
Ultimate, N Line Edition and
N Line S trims only.

Column-mounted shift by wire.

6.6" climate control touchscreen.

3-step rear heated seats.
Ultimate and N-Line S trims only.

Next level smart tech
for intuitive connectivity.

Seamlessly integrating technology and style, the latest upgraded connectivity features deliver an immersive driving experience. The elegantly curved panoramic display features two integrated screens for a high-tech look:

a 12.3" infotainment touch screen and 12.3" digital cluster*. Wireless Apple CarPlay™ and Android Auto™ are on board as well, so you can mirror your apps, music, and phone layout onto the big screen without the hassle of having to plug it in.¹

*Not available on Element grade.

Bluelink⁺

Connected Car Services.

TUCSON is equipped with Bluelink⁺ Connected Car Services – delivering seamless connectivity via smartphone app or touchscreen display – with online voice recognition and a wide range of features to make your drive more convenient and enjoyable.

A free 10-year subscription to Bluelink⁺ LITE and a 6 month free trial of Bluelink⁺ PRO is included with the navigation system. Take advantage of real-time data, like traffic, parking and local petrol station info – as well as Connected Routing, our online navigation system.

Introducing the new Black Line...

Darkened. Defined. Distinct.

The front makes a strong impression with a satin grey Hyundai logo in the grille, highlighting the Black Line's exclusive look. Hidden daytime running lights and black door mirrors complete the bold, cohesive front design.

Strong on the Road. Refined in the Cabin.

Featuring 19" alloy wheels in satin grey and black door surrounds that enhance its dark, sophisticated stance. Inside, heated front seats, a heated steering wheel, and a refined cloth-and-leather interior deliver comfort and style on every journey.

Bold to the Last Detail.

The Black Line's rear presence is reinforced by privacy glass that deepens its sleek, dark silhouette, while modern LED rear lights deliver sharp, highly visible illumination for stop and tail functions, completing the vehicle's bold and striking rear design.

**Electrified performance
and efficiency.**

Developed to reduce emissions without compromising on being fun to drive, the TUCSON is available with a range of powertrains to meet every need and driving style.

Petrol

Engine

1.6-litre T-GDI petrol engine 150 PS

1.6-litre T-GDI engine, 150 PS. Available in both 6-speed Manual Transmission and 7-speed DCT Automatic Transmission. 2WD.

Hybrid

Engine

E-Motor

Battery

1.6-litre T-GDI petrol engine and 47.7 kW electric motor for a total combined output of 239 PS.

Powered by a 1.49 kWh lithium-ion polymer battery and paired with a 6-speed Automatic Transmission. 2WD.

Plug-in Hybrid*

Engine

E-Motor

Charge

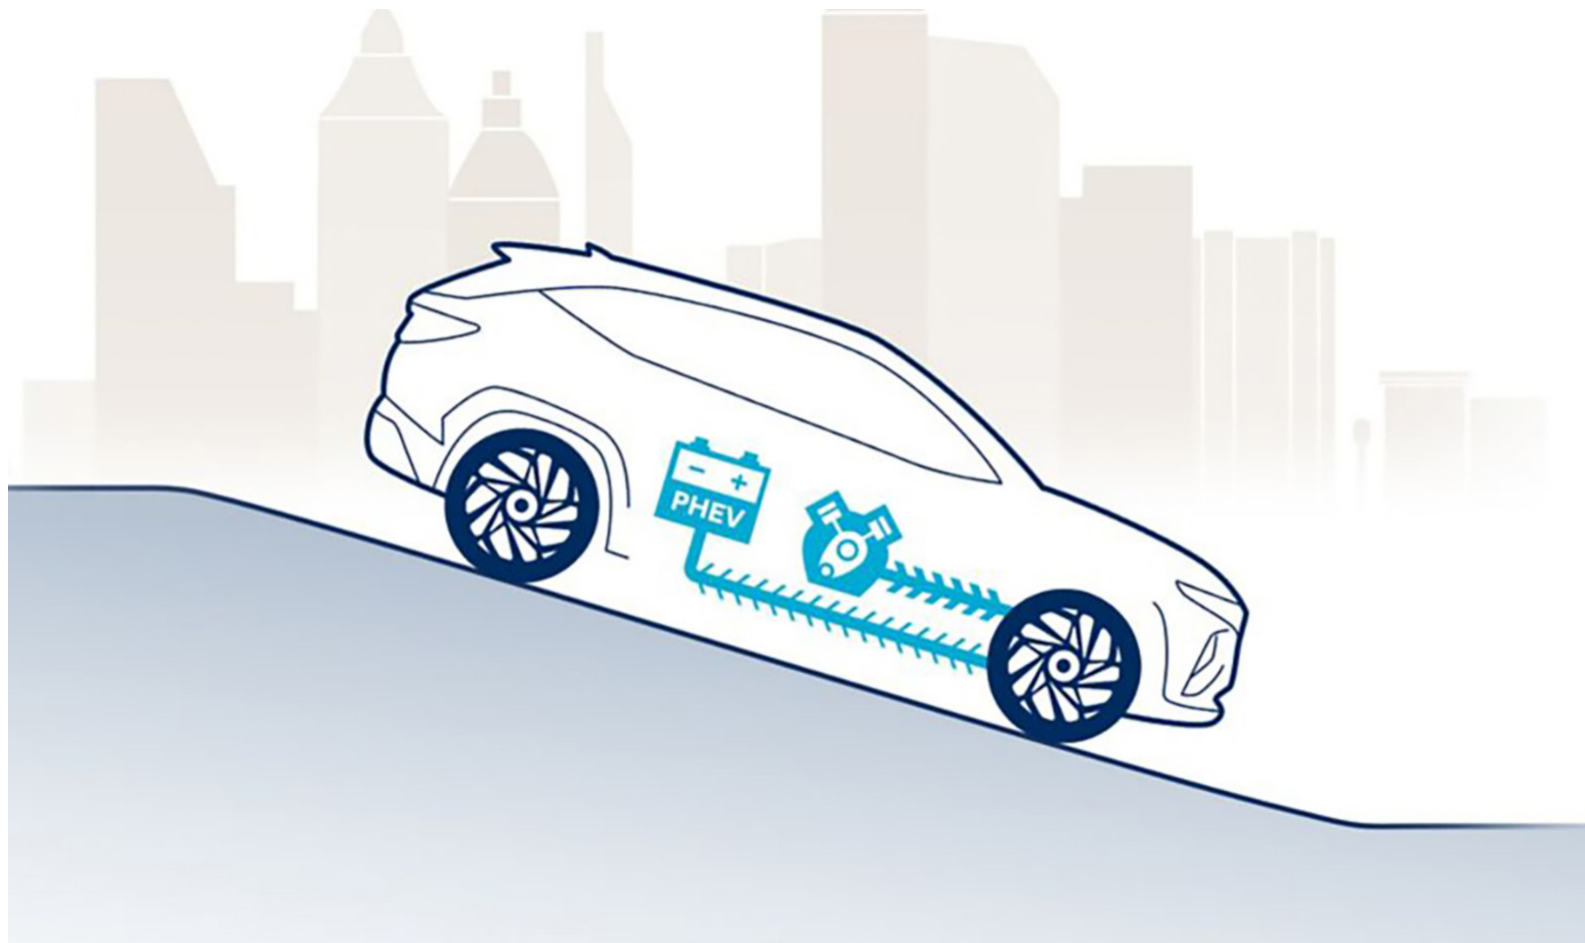

1.6-litre T-GDI petrol engine and 72 kW electric motor for a total combined output of 252 PS.

Powered by a 13.8 kWh lithium-ion polymer battery and paired with a 6-speed Automatic Transmission. 2WD and 4WD** available.

* PHEV variants are temporarily not available in Northern Ireland

** 4WD variants subject to available stock

Plug-in hybrid power and regenerative braking.

Electric when you want it. Petrol when you need it. The TUCSON Plug-in Hybrid offers the best of both worlds with 40 miles of full-electric driving range.³ And once the electric-only range is depleted, you can plug into a charging station – or just continue on with the petrol engine. Depending on the driving situation, it switches seamlessly between

its petrol engine and electric motor, sometimes using both. The regenerative braking system charges the battery by using the electric motor to slow the car. And you can easily control the level of regenerative braking using the steering wheel mounted paddle shifters.

Hyundai SmartSense

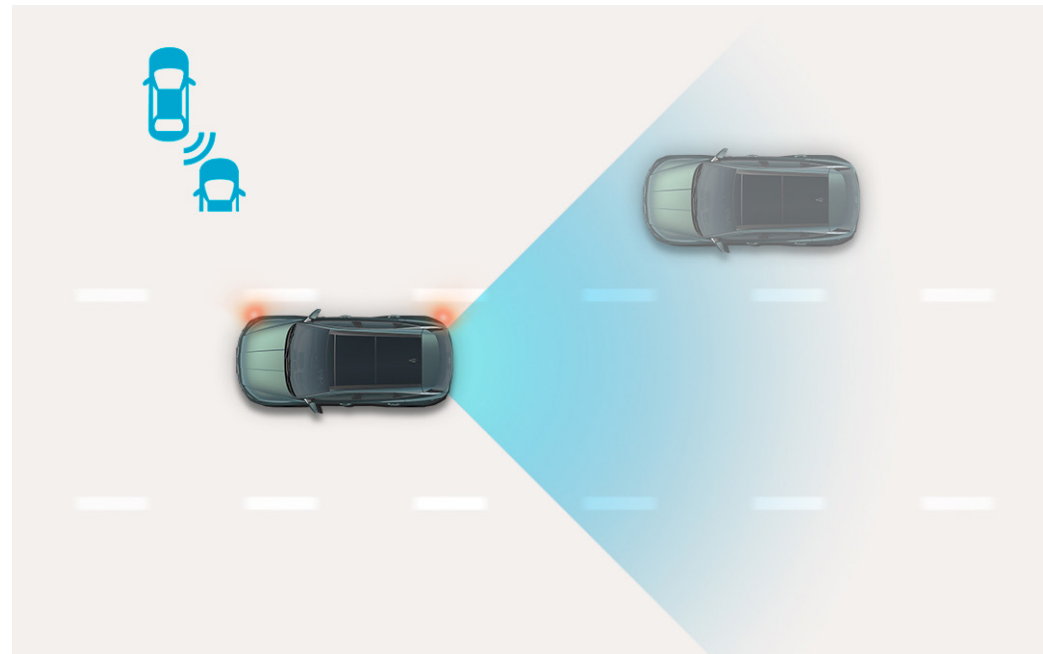

Hyundai SmartSense

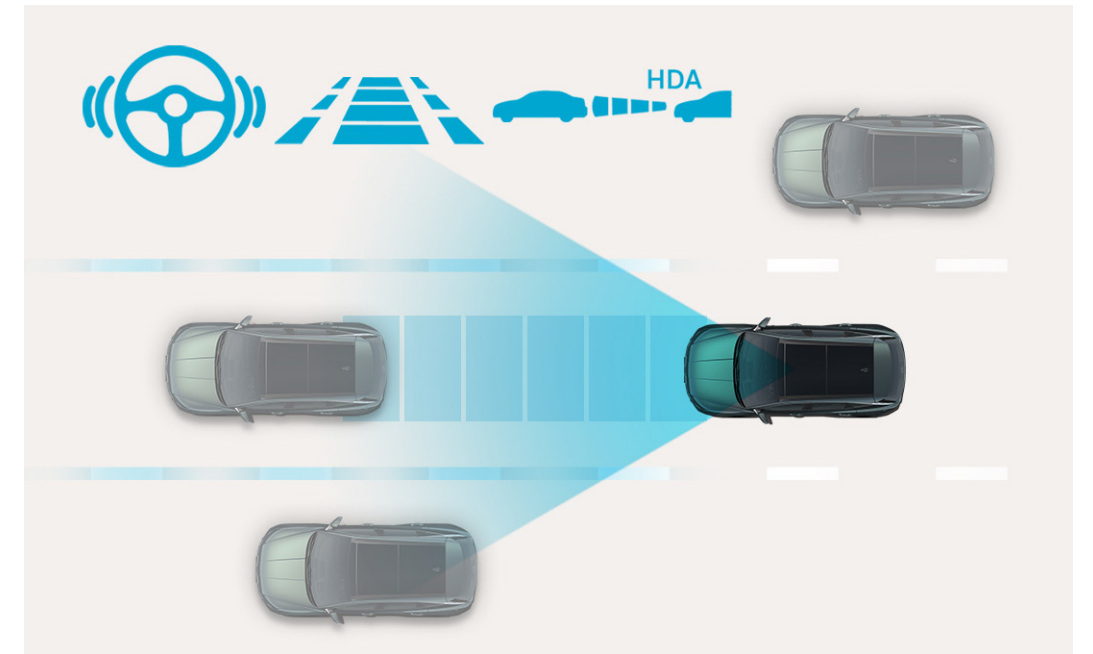

Forward Collision-avoidance Assist with Junction Turning (FCA-JT).

The FCA system automatically brakes when it detects sudden braking by the car ahead or detects pedestrians or cyclists in your path. During cross intersection turning, it brakes if there is a risk of collision with an oncoming vehicle. ◇

Blind Spot Collision-avoidance Assist (BCA).

Using two radar sensors in the lower rear bumper, the system warns you of traffic in the blind spot area. Should you set the turn indicator in such a situation, it will sound an acoustic alert to prevent collision. ◇

Highway Driving Assist 1.5 (HDA 1.5).

TUCSON is available with Highway Driving Assist 1.5 which maintains a set speed and distance from the vehicle ahead when driving on highways and helps centre the vehicle in the lane, even through a curve. Smart Cruise Control (SCC) maintains a distance to the vehicle ahead and a speed set by the driver. ◇

Welcome to the sportier side.

By choosing a TUCSON, you make a statement. Choosing the motorsport-inspired N Line trims adds a statement of performance. N Line Edition and N Line S trims feature a range of new exterior design

enhancements that put a sleeker edge on its sporty look. Bold new 19" alloy wheels featuring the N logo and winglet form make a bold statement and enhance the dynamic energy of the TUCSON N Line Edition and N Line S.

So much more than just a pretty face.

Exclusive front design.

The more aggressive bumper with its distinctive N style mesh is enhanced by the bolder air intake design, inspired by the aerodynamic tips of aircraft wings. Side mouldings and wheel arches in body colour flow into the new front bumper for more dynamic lines and a slimmer look.

Muscular rear bumper.

The new rear bumper features the same aeronautic-inspired winglet shapes as in the front. It enhances the sporty appearance in the rear together with the aerodynamic N Line spoiler and the twin chrome exhaust pipes.

The sportier side of SUV style.

Get into a whole new level of sportiness with an interior that features sporty metal pedals and N Line steering wheel as well as red accents throughout. The sporty N Line seats, available in both N Line Edition and N Line S trims, feature red contrast stitching and keep you in control and comfortable with excellent lumbar support. They are finished in luxurious mix of perforated black textile suede and leather witherred contrast stitching.

Personalise your perfect version.

Personalise your own distinctive
look with a wide range of dynamic
colours.
