

i20

# Sportiness redefined.

Dynamic, distinctive and sporty – now featuring refreshed trims, the i20 is setting new standards in its segment with a dynamic look that makes an eye-catching statement on the road.

# Take the spotlight in style.

Elegant and sleek, the i20 features exterior design elements that further accentuate its sporty stance thanks to its low roof profile and long wheelbase. Inspired by Hyundai's Sleek and Sporty design philosophy, it is a harmonious combination of energetic proportions, style and technology.

# A bold look from all angles.

The flowing z-shaped LED combination lamps extend visually across the boot lid for a truly unique look. The rear bumper features a silver accent grid that harmonises with the sweeping light signature for a bold new twist that radiates sportiness from every angle.

# Made for comfort and style.

The i20's stylish interior is a perfect match for the car's head-turning exterior look. With plenty of customization options available, you have the tools at your disposal to tailor the car to your individual taste.

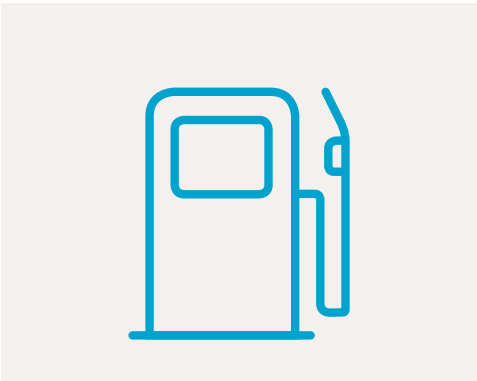

# Connected Car Services.

Control your i20 from your smartphone – or with your voice. The 10.25" Navigation system includes Bluelink connectivity, which enables you to control certain features remotely from the Bluelink app on your smartphone. A 3-year subscription to Hyundai's LIVE services is also included, which unlocks full suite of Connected Car Services such as real time traffic and fuel price information. You'll also receive two free map and infotainment software updates per year automatically over the air, without needing to manually install them or visit a retailer.

**Destination send to car.**  
Simply get in and press go. If your i20 is equipped with navigation, you can use the Bluelink app to search for destinations while outside of your car. Bluelink then syncs with your navigation system, loading the route so that it is ready to go when you are.

**Find my car.**  
Forgot where you parked? No problem. Just open the Bluelink app and the map will guide you there.

**Remote door lock & unlock.**  
Forget to lock your car? Don't worry, your i20 will let you know by sending a push notification to your smartphone. Then, after entering your PIN, you can lock or unlock your new i20 using a button in the Bluelink app.

**On-demand diagnostics .**  
For more peace of mind, you can run a full vehicle diagnostic check on your vehicle's health using the Bluelink app on your smartphone.

**Live fuel price information.**  
Find fuel when you need it, at a nice price – the continually updated fuel service coverage provides you with current fuel prices and information on location, opening times, and payment methods.

**On & off-street parking.**  
Find a parking spot faster for more efficient and stress-free parking. The parking information features help you find and compare parking options in garages, parking lots and on the street.

# Introducing the new Black Line...

## A bold front.

The i20 Black Line makes a striking first impression with its black accents, including the door mirrors and beltline, adding a modern, urban edge that sets the Black Line apart.

## A refined side that continues inside.

Flowing lines guide the eye to the stylish 16" black alloy wheels, while the interior's black roof lining and privacy glass enhance the car's sophisticated, cohesive look. Step inside, and the Black Line impresses with heated front seats, and a heated steering wheel for ultimate comfort.

## A confident back.

At the rear, LED taillights provide a crisp, contemporary look, while the privacy glass and black accents continue the theme of quiet confidence. From front to back, the i20 Black Line projects a distinctive, commanding stance.

# N Line S – the i20 at its most dynamic.

Turn heads with the i20 N Line S: Featuring a performance-inspired interior and bold exterior design enhancements, it's a statement of dynamic sportiness that doesn't compromise on safety, efficiency or convenience.

N Line S - stock orders only

# Performance design with a sporty aesthetic.

The i20 N Line S has been designed to have a powerful and energetic look. It features a dominant front bumper, a textured black grille, and a sleek rear bumper that enhances not just the model's look but also its aerodynamic performance. Make it fully yours with a range of distinct exterior colours.

# Expressive and unmistakably thrilling.

## A track-inspired front.

The design of the i20 N Line S front bumper features an exclusive grey character line below a textured black grille. The iconic N Line badge, positioned right on the front grille helps round off the model's bold appearance.

## A sculpted side.

Flowing lines create a sense of motion, drawing eyes to the striking all-black 17" alloy wheels. Side skirts not only contribute to the car's aerodynamic performance but also enhance the dynamic appeal of N Line S.

## An energetic back.

The performance styling of the i20 N Line S extends all the way to the back, where the sloping lines are matched with a chrome twin-muffler exhaust. From its edged front lights to the triangle-shaped fog lamp in the back, the lighting on the i20 N Line S creates a distinct stance.

# A new sporty look.

Enjoy an atmosphere with a distinct motorsport feeling: The i20 N Line S features clean lines, metal details, and exclusive red colour accents throughout the interior.

Feel in control with the grippy perforated leather steering wheel, exclusively designed for the N Line S. Enjoy the N Line S gear shift which has a specially-designed knob with accent stitching and red inserts.

# Make a bold statement.

## Eye-catching accent stitching.

The iconic red stitching extends from the seats to the hand brake lever, a subtle reminder of the N Line S's performance focused design.

## Metal pedals.

These pedals don't just look dynamic, they also provide confidence with slip-resistant rubber pads.

## N Line sporty seats.

The N-branded sporty seats with bigger bolsters and side cushions keep you equally comfortable and in control.

# Your car. Your colours.

Customise the i20 to reflect your personal style: Complementing its eye-catching silhouette, the car comes with a range of 8 equally mesmerising exterior colours for you to choose from.
