

# Freedom to explore.

Happiness is more than just a smile. It's enjoying freedom in a car that takes care of your needs. That's why the Hyundai range on Motability offers comfort, accessibility, fuel efficiency and spacious interiors as standard.

# Why choose Hyundai Motability?

## Dedicated specialists.

It doesn't get much more exciting than choosing a new car and we're here to help every step of the way. Specially trained experts are on hand at every Motability-accredited Hyundai Retailer, to help you choose the model that is right for your mobility requirements. Plus, every Retailer showroom has wheelchair access and disabled parking bays.

## Effortless flexibility.

We know that interior space is important. That's why we cleverly design all our cars – from the smallest to the biggest – to make the most out of their size. Whether you prefer the compact and stylish i20 or the bold and practical TUCSON, there's a Hyundai with the headroom, legroom and storage space you need.

## Impressive efficiency.

Charging an electric vehicle is different than filling up with fuel. You can plug in for a short time when you stop, adding range to get you home. And with our IONIQ 5 10% - 80% is possible within 18 - 36 minutes.\*.

## Enhanced comfort.

Sit inside any Hyundai and you'll feel the quality of the materials, with each interior designed to offer optimum comfort and refinement. We've carefully engineered every last detail to make your journeys effortless, from ease of access, to multi-adjustable driving positions for improved road visibility.

\*350kW ultra-fast charger required for quickest charge times. Hyundai test data for comparison purposes. Actual time will vary and is dependent on several factors including battery temperature, condition and age, ambient temperature and the power provided by the charger. Charge time increases in cold weather and if battery temperature activates safeguarding technology.

# Reaching new horizons with electric.

Electric cars have come a long way in a short time and are now opening up new horizons in sustainability. Enjoy thrilling electric acceleration thanks to the power of instant torque that electric vehicles provide. Maximise passenger space with the flat floor due to no transmission tunnel and benefit from low noise as there are no internal combustion counterparts.

**Explore the electric range.**

# Introducing the Hyundai Motability range.

This brochure is interactive. Feel free to click on the Hyundai model that interests you most or read through from start to finish. Each model displays the Advanced Payment amount, a list of key features and detailed pricing information.

**Hybrid and Petrol range.**

# IONIQ 5

Colours are subject to availability

# Ground-breaking all-electric CUV.

With IONIQ 5, future mobility will no longer be something to look forward to, but a reality of everyday life. This ground-breaking electric CUV will put you in charge – without compromise, helping you to decide about your way of life and your impact on the world.

## Bold. Unique. Pure. The future of electric mobility is here.

Built upon Hyundai's dedicated Electric-Global Modular Platform means IONIQ 5 has unique proportions and an elongated wheelbase. A flat floor, multi-adjustable seating and highly spacious interior redefines the in-car experience, and the battery pack's position ensure ideal weight distribution and a low centre of gravity for optimal handling.

Travel up to 315 miles\* (77 kWh variant) between charges and enjoy the benefit of 800V charging capability, meaning you can get back on the road quicker. Every model is very well equipped, with all the latest safety equipment and smart features and environmentally friendly materials are used extensively, including eco-processed leather and recycled yarn.

### Standard features across the range

- 800V charging technology
- Heated Front Seats and Wheel
- Smart Cruise Control
- Smart Electric Hands Free Tailgate Opening
- Vehicle-to-Load

\*IONIQ 5 Ultimate 77 kWh 228PS RWD MY23 maximum electric range 315 miles. CO2 emissions: 0 g/km. These figures were obtained after the battery had been fully charged. The electric range shown was achieved using the WLTP test procedure. Figures shown are for compatibility purposes. Only compare fuel consumption, CO2 and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including road conditions, outdoor temperature, driving style, use of climate control and battery condition.

# IONIQ 6

Colours are subject to availability

# The Electrified streamliner.

The multi-award winning IONIQ 6 is now available on Motability for the first time.

## The future of electric mobility is here.

Featuring breath-taking design and driving dynamics, as well as an 800V charging technology, this ground-breaking sedan delivers thrilling performance – built on a cutting-edge new platform that is nothing less than a technological milestone in this era of EV expansion.

Human-centric from the start, IONIQ 6's interior space was developed simultaneously with the exterior form. This integrated approach has yielded an exceptional result: a cocoon-like cabin that lets passengers freely enjoy in-car life. Interior space has been maximised, stretching it at the front and rear – resulting in the unique streamliner silhouette and spacious interior.

### Standard features across the range

- 800V Charging Technology
- Dual 12.3" Infotainment Screen and Digital Cluster Screens
- Vehicle to Load
- Bluelink™ Connected Car and Live Services - 3 Year Free Subscription

# i10

Colours are subject to availability

# Go ahead. Make a big statement.

The i10 offers a refreshed, expressive design and gigantic selection of cutting-edge technology – this clever city car gives you the style and flexibility you need to live life by your rules.

## Perfect for small spaces and big moments.

The i10 may be a small car, but it makes a big impression. Its muscular styling maximises interior space and creates an athletic stance, which is now bolder than ever thanks to new diamond LED running lights set into a sporty honeycomb grille. A refreshed colour palette reflects the car's playful character, whilst the standard diamond-cut alloy wheels hint at the high level of equipment within.

Inside the stylish cabin, precise patterns and fresh textures welcome you with a clean and modern look. An eye-catching 3D honeycomb pattern is featured on the dashboard and door panels for a sporty edge. The circular air-vents visually extend the dashboard into the door trim for a wider, more spacious feeling.

### Standard features across the range

- 8" Touchscreen Audio with Smart Device Integration
- Cruise Control
- Rear View Camera with Rear Parking Sensors
- FCA - Forward Collision Avoidance Assist
- Digital Instrument Cluster

## \*Hyundai Hot Pick

Stand out from the crowd with the 1.0 Premium for Nil Advance Payment. With performance-inspired interior and exterior design enhancements, it makes a bold statement but doesn't compromise on efficiency.

Model pictured: i10 Advance. Finance subject to status, T&C's apply. To qualify for the Motability Scheme, you must be in receipt of one of the following allowances with at least 12 months award remaining. Eligible allowance include the Higher Rate Mobility Component of Disability Living Allowance (DLA), the Higher Rate Mobility Component of Personal Independence Payment (PIP), the War Pensioners' Mobility Supplement (WPMS), the Armed Forces Independence Payment (AFIP), Enhanced Rate Mobility Part of Adult Disability Payment (Scotland only) or Higher Rate Mobility Component of Child Disability Payment (Scotland only). Valid for applications made to Motability between 1st April 2024 and 30th June 2024.

For full specifications and features, please check with your local Retailer or visit [www.Hyundai.co.uk](http://www.Hyundai.co.uk)

# i30

Colours are subject to availability

# Classically versatile family hatchback.

The classy i30 is easy to live with, comfortable to drive and comes with all the latest technology - including 48 Volt hybrid technology to deliver intelligent efficiency.

## Confidently classic, comfortably competent.

The i30's fuel-efficient powertrains let you decide the ride you need offering improved emissions and MPG, thanks to its 48 Volt hybrid technology. You have a choice of the peppy 1.0T with 120PS or sportier 1.5T with 159PS, and both come as either a manual or DCT automatic.

Your safety is high on the agenda for the i30, with Forward Collision Assist, Lane Keep Assist, Lane Departure Warning System, Driver Attention Warning and Hyundai's Smart Sense safety package all standard across the range.

With i30 you'll be traveling in style and comfort, with a spacious interior and convenient technology.

### Standard features across the range

- 48 Volt Hybrid technology
- Alloy Wheels
- Cruise Control with Speed Limiter
- Rear View Camera and Rear Parking Sensors
- Touchscreen display with Apple CarPlay™ & Android Auto™
