

# Freedom to explore.

Happiness is more than just a smile. It's enjoying freedom in a car that takes care of your needs. That's why the Hyundai range on Motability offers comfort, accessibility, fuel efficiency and spacious interiors as standard.

# Why choose Hyundai Motability?

## Dedicated specialists.

It doesn't get much more exciting than choosing a new car and we're here to help every step of the way. Specially trained experts are on hand at every Motability- accredited Hyundai Retailer, to help you choose the model that is right for your mobility requirements. Plus, every Retailer showroom has wheelchair access and disabled parking bays.

## Effortless flexibility.

We know that interior space is important. That's why we cleverly design all our cars – from the smallest to the biggest – to make the most out of their size. Whether you prefer the compact and stylish i20 or the bold and practical new TUCSON, there's a Hyundai with the headroom, legroom and storage space you need.

## Impressive efficiency.

Charging an electric vehicle is different than filling up with fuel. You can plug in for a short time when you stop, adding range to get you home. And with our new IONIQ 5 10% - 80% is possible within 18 - 36 minutes.\*.

## Enhanced comfort.

Sit inside any Hyundai and you'll feel the quality of the materials, with each interior designed to offer optimum comfort and refinement. We've carefully engineered every last detail to make your journeys effortless, from ease of access, to multi-adjustable driving positions for improved road visibility.

\*350kW ultra-fast charger required for quickest charge times. Hyundai test data for comparison purposes. Actual time will vary and is dependent on several factors including battery temperature, condition and age, ambient temperature and the power provided by the charger. Charge time increases in cold weather and if battery temperature activates safeguarding technology.

# Reaching new horizons with electric.

Electric cars have come a long way in a short time and are now opening up new horizons in sustainability. Enjoy thrilling electric acceleration thanks to the power of instant torque that electric vehicles provide. Maximise passenger space with the flat floor due to no transmission tunnel and benefit from low noise as there are no internal combustion counterparts.

# Go ahead. Make a big statement.

The i10 offers a refreshed, expressive design and gigantic selection of cutting-edge technology – this clever city car gives you the style and flexibility you need to live life by your rules.

## Perfect for small spaces and big moments.

The i10 may be a small car, but it makes a big impression. Its muscular styling maximises interior space and creates an athletic stance, which is now bolder than ever thanks to new diamond LED running lights set into a sporty honeycomb grille. A refreshed colour palette reflects the car's playful character, whilst the standard diamond-cut alloy wheels hint at the high level of equipment within.

Inside the stylish cabin, precise patterns and fresh textures welcome you with a clean and modern look. An eye-catching 3D honeycomb pattern is featured on the dashboard and door panels for a sporty edge. The circular air-vents visually extend the dashboard into the door trim for a wider, more spacious feeling.
