

Freedom to explore.

Happiness is more than just a smile. It's enjoying freedom in a car that takes care of your needs. That's why the Hyundai range on Motability offers comfort, accessibility, fuel efficiency and spacious interiors as standard.

Why choose Hyundai Motability?

Dedicated specialists.

It doesn't get much more exciting than choosing a new car and we're here to help every step of the way. Specially trained experts are on hand at every Motability- accredited Hyundai Retailer, to help you choose the model that is right for your mobility requirements. Plus, every Retailer showroom has wheelchair access and disabled parking bays.

Effortless flexibility.

We know that interior space is important. That's why we cleverly design all our cars – from the smallest to the biggest – to make the most out of their size. Whether you prefer the compact and stylish i20 or the bold and practical TUCSON, there's a Hyundai with the headroom, legroom and storage space you need.

Impressive efficiency.

Charging an electric vehicle is different than filling up with fuel. You can plug in for a short time when you stop, adding range to get you home. And with our new IONIQ 5 10% - 80% is possible within 18 - 36 minutes.*.

Enhanced comfort.

Sit inside any Hyundai and you'll feel the quality of the materials, with each interior designed to offer optimum comfort and refinement. We've carefully engineered every last detail to make your journeys effortless, from ease of access, to multi-adjustable driving positions for improved road visibility.

*350kW ultra-fast charger required for quickest charge times. Hyundai test data for comparison purposes. Actual time will vary and is dependent on several factors including battery temperature, condition and age, ambient temperature and the power provided by the charger. Charge time increases in cold weather and if battery temperature activates safeguarding technology.

Reaching new horizons with electric.

Electric cars have come a long way in a short time and are now opening up new horizons in sustainability. Enjoy thrilling electric acceleration thanks to the power of instant torque that electric vehicles provide. Maximise passenger space with the flat floor due to no transmission tunnel and benefit from low noise as there are no internal combustion counterparts.

Explore the electric range.

All-new INSTER

KONA Electric

Colours are subject to availability

Introducing the KONA Electric.

Featuring a more dynamic road presence, a futuristic new look, and a larger living space for all your adventures, this bold, upscaled SUV is still very much at home on city streets and country roads.

Next-level electric performance.

Depending on your mobility needs and performance wants, you can pick your power and preferred range: the 48.4 kWh battery with up to 234 miles driving range¹. Or the 65.4 kWh version that delivers a range of up to 319 miles on a single charge.²

¹KONA Electric Advance 48.4kWh 156PS FWD MY24 maximum electric range 234 miles. CO2 emissions: 0 g/km. These figures were obtained after the battery had been fully charged. The electric range shown was achieved using the WLTP test procedure. Figures shown are for compatibility purposes. Only compare fuel consumption, CO2 and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including road conditions, outdoor temperature, driving style, use of climate control and battery condition.

²KONA Electric Ultimate 65.4kWh 218PS FWD MY24 17" wheels maximum electric range 319 miles. CO2 emissions: 0 g/km. These figures were obtained after the battery had been fully charged. The electric range shown was achieved using the WLTP test procedure. Figures shown are for compatibility purposes. Only compare fuel consumption, CO2 and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including road conditions, outdoor temperature, driving style, use of climate control and battery condition.

Standard features across the range

- Smart Key - Keyless Entry with Start/Stop Button
- Heat pump
- V2L

KONA Electric is available on the Motability scheme from **£599 Advance Payment.**

New IONIQ 5

Colours are subject to availability

Ground-breaking all electric IONIQ 5.

With the new IONIQ 5, future mobility will no longer be something to look forward to, but a reality of everyday life. The ground-breaking all electric IONIQ 5 puts you in charge – without compromise, helping you to decide about your way of life and your impact on the world.

Bold. Unique. Pure. The future of electric mobility is here.

Built upon Hyundai's dedicated Electric-Global Modular Platform means the new IONIQ 5 has unique proportions and an elongated wheelbase. A flat floor, multi-adjustable seating and highly spacious interior redefines the in-car experience, and the battery pack's position ensure ideal weight distribution and a low centre of gravity for optimal handling.

Travel up to 354 miles* (84 kWh variant) between charges and enjoy the benefit of 800V charging capability, meaning you can get back on the road quicker. Every model is very well equipped, with all the latest safety equipment and smart features and environmentally friendly materials are used extensively, including eco-processed leather and recycled yarn.

*New IONIQ 5 Premium 84 kWh 228 PS 2WD MY25 maximum electric range 354 miles. CO2 emissions: 0 g/km. These figures were obtained after the battery had been fully charged. The electric range shown was achieved using the WLTP test procedure. Figures shown are for compatibility purposes. Only compare fuel consumption, CO2 and electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including road conditions, outdoor temperature, driving style, use of climate control and battery condition.

Standard features across the range

- 800V charging technology
- Heated Front Seats and Wheel
- Smart Cruise Control
- Smart Electric Hands Free Tailgate Opening
- Vehicle-to-Load

Breathtakingly beautiful and amazingly advanced, the new New IONIQ 5 continues redefining the way people look at electric cars. With its innovative concept car design and an astonishing array of smart tech.

IONIQ 6

Colours are subject to availability

The electrified streamliner.

Sleek and unmistakably unique, the IONIQ 6 is the silhouette of the era of electric mobility. Its streamliner design and mindful cocoon-like interior have been created to provide you with a personalised and flexible space that is redefining the in-car experience.

The future of electric mobility is here.

Featuring breath-taking design and driving dynamics, as well as an 800V charging technology, this ground-breaking sedan delivers thrilling performance – built on a cutting-edge new platform that is nothing less than a technological milestone in this era of EV expansion.

Human-centric from the start, IONIQ 6's interior space was developed simultaneously with the exterior form. This integrated approach has yielded an exceptional result: a cocoon-like cabin that lets passengers freely enjoy in-car life. Interior space has been maximised, stretching it at the front and rear – resulting in the unique streamliner silhouette and spacious interior.

KONA

Colours are subject to availability

Introducing the KONA.

Featuring a more dynamic road presence, a futuristic new look, and a larger living space for all your adventures, this bold, upscaled SUV is still very much at home on city streets and country roads.

A sharper and bolder new look.

Elegant and roomy, the all-new KONA has evolved, growing wider and longer to provide maximised living space. The rear Curveless Bench Seat provides generous leg and shoulder room in the 2nd row and visually expands the refined interior.

Designed to fit everything you and your busy life can throw at it, the KONA offers plenty of room for passengers and cargo. This bold, upscaled SUV now gives you a larger living space for all your adventures. The generous trunk space of 466 litres (VDA) is 30% larger than the previous KONA.

Standard features across the range

- Smart Key - Keyless Entry with Start/Stop Button
- Driver's Supervision Instrument Cluster with 12.3" LCD Display

i10

Colours are subject to availability

Go ahead. Make a big statement.

The i10 offers a refreshed, expressive design and gigantic selection of cutting-edge technology – this clever city car gives you the style and flexibility you need to live life by your rules.

Perfect for small spaces and big moments.

The i10 may be a small car, but it makes a big impression. Its muscular styling maximises interior space and creates an athletic stance, which is now bolder than ever thanks to new diamond LED running lights set into a sporty honeycomb grille. A refreshed colour palette reflects the car's playful character, whilst the standard diamond-cut alloy wheels hint at the high level of equipment within.

Inside the stylish cabin, precise patterns and fresh textures welcome you with a clean and modern look. An eye-catching 3D honeycomb pattern is featured on the dashboard and door panels for a sporty edge. The circular air-vents visually extend the dashboard into the door trim for a wider, more spacious feeling.

Standard features across the range

- 8" Touchscreen Audio with Smart Device Integration
- Cruise Control
- Rear View Camera with Rear Parking Sensors
- FCA - Forward Collision Avoidance Assist

*Hyundai Hot Pick

The SANTA FE Plug-in Hybrid delivers the capability to experience the world on your own terms. Always ready for exploration, its interior space and the latest smart tech let you and your family live life to the fullest – no matter where the journey takes you.

Specifications shown in this brochure are based upon European left-hand drive models and the latest available information at the time of formatting. Imagery shown is for illustrative purposes only and does not necessarily relate directly to stated pricing. The colours reproduced in this brochure are subject to the variations of screen resolutions and may vary from the actual colour and paint finish. References to achievable mileage ranges are based on WLTP test data. Real-life results may vary, based on factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load.

In line with our policy of continual product improvement, Hyundai Motor UK Ltd reserves the right to make changes at any time, without notice, to prices, colours, material, design, shape, specifications and models, and to discontinue items.

For the latest details or to find out more about Hyundai Motability please contact your local Retailer.
