Accessories

*Car shown not to UK specification

Nothing beats Genuine.

Why Genuine? Because every Hyundai accessory is designed, manufactured and tested to the same stringent standards as your all-new KONA. That means that they fit perfectly, they complement your car's design and will never look out of place. All are manufactured from high quality materials, some of which are sustainable and recyclable wherever possible. So, when you have the foresight to choose the all-new KONA, you'll also be assured that our accessories match perfectly. That's Genuine!

There's no substitute for Genuine.

Whether sporty or elegant, there's much more to our Genuine wheels than their eye-catching appearance. Before they can be incorporated into our range they must be homologated. This means they are subjected to the rigorous testing procedures which ensure the strength, safety and longevity of all our Genuine wheels. So you can drive on with absolute confidence.

Genuine is the natural choice.

You can add extra protection to the carefully crafted interior of your all-new KONA with many eco-friendly Genuine accessories which have been produced with sustainability in mind. These include the resilient trunk liner and matching trunk liner extension, both of which are manufactured using bio-based materials. So you can help to protect our planet and your all-new KONA at the same time.

*Car shown not to UK spec

Never undervalue Genuine.

It's easy to underestimate what you really need from a totally new car. There will always be situations that present you with new challenges. No problem. You can choose from purpose-designed accessories that can extend the carrying capacity of your all-new KONA. And they are all manufactured specifically for your car, with all the strength and capability that you could need.

Subtle changes make a great difference.

Adding your personal selection of our styling accessories is a great way to personalise your all-new KONA. All have been designed to enhance its dynamic design, while others like LED lighting effects and entry guards also bring the bonus of even more functionality.

Bike carrier for all tow bars. Bike rack and vehicle shown not to UK specification.

Surprise yourself with your own potential.

And surprise others! Your all-new KONA is already a very capable vehicle, but you never know when you're going to need some extra capacity. Carrying bikes securely? Towing a safely connected trailer or caravan? It's all so simple when using our purpose-built accessories. All conform with existing legal requirements, and can make your adventurous life even more enjoyable.

Tow bar, detachable, BE281ADE00 (ICE/HEV)

Tow bar, detachable, BE281ADE00NL (N Line)

Tow bar, detachable, HF281ADE00 (EV)

Bike carrier for all tow bars (not to UK specification)

Capable of carrying 2 bikes and also suitable for e-bikes with a maximum combined weight up to 60 kg. The convenient tilt mechanism provides unobstructed access to the trunk area without having to remove the bikes. Lockable, easy to load and you can open the tailgate with your bikes on the back.

Tow bar, detachable

Whenever you have substantial cargo in tow, this top-quality corrosion-resistant steel tow bar is ideal for efficient transportation. With the featured 3-ball locking system it can be detached simply, securely and discreetly. Please consult your dealer regarding the maximum towing load capacity for your vehicle.
 BE281ADE00 (ICE, HEV)
 BE281ADE00NL (N Line)
 HF281ADE00 (EV)
 Please note that the position of the tow hook for all variants of tow bar is like the image of N Line (BE281ADE00NL) due to the fog lamp interference.

Tow bar wiring kit

Installation uses original vehicle connectors and a multifunctional trailer module which amplify all necessary signals and communicates also with the vehicle. Compatible with both conventional bulb and LED trailer lamps. The park distance warning system and rear fog lights are automatically switched off when a trailer/bike carrier is connected & detected. With the new trailer lamp control feature, a notification is sent via vehicle cluster when a tail, brake, or indicator light malfunctions. For your safety and comfort, other Advanced Drive Assist Systems of the vehicle are also automatically deactivated when a trailer/bike carrier is connected & detected. For more information, please check the owner's manual or contact your dealer.

The 13-pole socket-based system is prepared to manage all modern caravan functions. To ensure full functionality, +15/+30 is already included in the wiring.

13-pole socket: BE621ADE00PC* (waterproof socket housing)
 7-pole socket: BE620ADE00PC* (with drainage holes to prevent water accumulation)

Based on your actual tow bar usage, adapters are available to temporarily change 7-pole to 13-pole or vice versa.

13-pole socket (vehicle) to 7-pole socket (trailer/caravan) adapter: E919999137
 7-pole socket (vehicle) to 13-pole socket (trailer/caravan) adapter: 55622ADB00

* BE621ADE00PC & BE620ADE00PC is compatible only for vehicles with trailer package.

Charge your lifestyle.

Enjoying a sustainable life is easier when clean electricity provides the power. The optimum way to charge your all-new KONA is to use our efficient charging system. Our Mode 3 charging cable is exactly what you need to make the most of existing charging systems. So you can concentrate on maximising your life with a clean conscience.

Charging cable, Type 2, Mode 3, 3-phase, 32A, 5m, 99632ADE003A

Charging cable, Mode 3

To maximise its full capabilities the Charging cable, Mode 3 is equipped with Type 2 plugs at both ends. The electrical contacts are made from solid metal, and the easy-to-use plug handles are designed to safely and slowly dissipate any heat build-up during charging. High-grade materials make this charging cable extremely resistant to severe twisting or bending. And extensive weatherproofing excludes the possibility of corrosion. Secure automatic locking to both the car and the charging point is provided by the Type 2 plugs. The Charging cable, Mode 3 can be used for the day-to-day charging at public and domestic charging points that provide Type 2 sockets with up to 22 kW (480V, 32A). 99632ADE003A

Hyundai Vehicle-to-Load (V2L)

Safety hammer, 99946ADE00

Safety bag, 99940ADE00

Safety vest, 99941ADE00

Take care of your loved ones.

Make sure you are prepared for the unexpected with practical items on board that can provide protection in unforeseen situations – anytime, anywhere.

Warning triangle

Stay safe when stranded. This high-visibility warning triangle makes sure approaching motorists see you in time. Lightweight, stable and foldable, it is also compliant with the latest ECE-R27 standard, a legal requirement in most European countries.
99942ADE00

Warning light

Make sure your vehicle is seen from far whenever oncoming traffic needs to be warned. The warning light rotates full 360° for improved visibility and increased safety. Magnetic mounting makes attaching it to the roof quick and easy.
99945ADE00

Safety hammer

Don't panic if you need to escape to safety. Let the hammer do the work. Just press it gently to the window. The ultra-hard ceramic head will jump out, smash the pane and immediately retract to be used again. The non-slip handle is equipped with an advanced seat belt cutter.
99946ADE00

Safety vest

Maximum visibility for maximum safety, all day and night. This neon vest with reflective strips lets other motorists see you from a distance if you have to leave your KONA. It complies with EN 20471, a legal requirement in most European countries. One size fits all.
99941ADE00

Safety bag

Enjoy the added peace of mind of having this safety bag on board. This safety bag contains two safety vests, a warning triangle and a first aid kit that complies with current DIN 13164: 2014, a legal requirement in several European countries.
